PRELIMINARY STATEMENT

1. By this Motion, the Settlement Parties and AHEG request entry of an order approving the Settlement Agreement in its entirety and authorizing the Settlement Parties to perform all obligations under the Settlement Agreement. In connection with approval of the Settlement Agreement, the Motion also requests approval of the Voyager/Governmental Claimants Stipulation. The Settlement Agreement represents a significant achievement in these Chapter 11

Cases, as it fully and finally resolves a significant issue that has been pending since the inception of the Chapter 11 Cases and was preserved through the hearing on confirmation (the “Confirmation Hearing”) of the Plan³—namely, the treatment of Intercompany Claims (as defined in the Settlement Agreement) amongst each of the Debtor Parties. The Settlement Agreement was the result of arms-length, good-faith negotiations between the Settlement Parties, with each Debtor Party acting through one or more independent directors, each of whom is represented by sophisticated independent counsel.

2. Subject to Court approval, the Settlement Agreement includes the following key terms: (a) TopCo shall have an allowed general unsecured claim against OpCo in the amount of \$35.235 million; (b) HoldCo agrees to waive its claims against TopCo and OpCo, and each of TopCo and OpCo agree to waive their claims against HoldCo; (c) the Debtor Parties each waive their respective administrative priority expense claims against the Wind-Down Debtors’ estates; and (d) the AHEG is granted an allowed administrative priority expense claim against TopCo in the amount of \$1,700,000 on account of the substantial contribution made by the AHEG in the Chapter 11 Cases; and (e) upon the Settlement Effective Date, the retention of each Independent Director by TopCo, HoldCo and OpCo, respectively, shall be terminated, resulting in significant cost savings to the Wind-Down Debtors’ estates.

3. Approval of the Settlement Agreement will also result in the dismissal of the Adversary Proceeding (as defined below), thereby resolving significant litigation and saving further estate resources for the benefit of creditors. Consistent with that result, the AHEG represents that the AHEG, its individual members, and the AHEG’s professional advisors

³ Capitalized terms used herein but not otherwise defined shall have the meanings ascribed to them in the Plan, the Confirmation Order, or the Settlement Agreement, as applicable.

(collectively, the “AHEG Parties”) do not object to the terms and conditions of the Settlement Agreement or the relief requested herein.

4. The settlements and compromises contained in the Settlement Agreement have been negotiated over a period of many months and represent the culmination of efforts by the Independent Directors to resolve these significant intercompany issues without the need for substantial and value-destructive litigation. The compromises embodied in the Settlement Agreement are fair and reasonable and result in significant cost savings to the Wind-Down Debtors’ estates and avoid the overhang of expensive, uncertain, and potentially years-long litigation. As such, the settlements and compromises contained in the Settlement Agreement are in the best interests of the Wind-Down Debtors’ estates, their creditors, and their other stakeholders.

5. The Settlement Parties and the AHEG therefore respectfully request that the Court grant the relief requested in the Motion and enter an order approving the Settlement Agreement, the Voyager/Governmental Claimants Stipulation, and authorizing the Settlement Parties to perform thereunder.

JURISDICTION AND VENUE

6. The United States Bankruptcy Court for the Southern District of New York (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2). Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409. The Settlement Parties confirm their consent to the Court entering a final order in connection with this matter to the extent that it is later determined that the Court, absent consent of the parties, cannot enter final orders or judgments in connection herewith consistent with Article III of the United States Constitution.

7. The statutory bases for the relief requested herein are section 105(a) of title 11 of the United States Code (the “Bankruptcy Code”), Bankruptcy Rule 9019, and Local Rules 9013-1 and 9018-1 of the Local Bankruptcy Rules for the Southern District of New York (the “Local Rules”).

BACKGROUND

I. Background Concerning the Intercompany Transactions

8. Before the Petition Date, there were at least nine (9) Intercompany Transactions entered into among TopCo, HoldCo and OpCo, which consisted of six (6) Intercompany Transfers and three (3) Intercompany Receivables. Each of the Intercompany Transfers was booked as a loan in the Debtor Parties’ prepetition books and records. Further, each Intercompany Transfer was treated as a loan in the Debtor Parties’ Schedules of Assets and Liabilities filed in the Chapter 11 Cases. *See* Case No. 22-10943, Dkt. No. 321, at 41; Case No. 22-10944, Dkt. No. 8, at 26, 34–35; Case No. 22-10945, Dkt. No. 9, at 5,397.

9. As illustrated in the following chart and explained in more detail below, OpCo was the most frequent transferee (recipient) of the Intercompany Transactions, and TopCo was the most frequent transferor (issuer):

Issuance	Transferor	Transferee	Principal Amount of Intercompany Transaction	Approx. Principal and Interest Outstanding as of the Petition Date
February 2021 Term Loan	TopCo	OpCo	\$70,000,000	\$78,893,457
February 2021 Revolver	TopCo	OpCo	\$17,500,000	\$1,477,523
October 2021 HoldCo Promissory Note	TopCo	HoldCo	\$6,000,000	\$6,329,943
November 2021 Intercompany Transfer	TopCo	OpCo	\$75,000,000	\$79,270,440
May 2022 Intercompany Transfer	TopCo	OpCo	\$57,000,000	\$57,817,288
June 2022 HoldCo Intercompany Transfer	HoldCo	OpCo	\$75,000,000	\$75,528,75
Intercompany Receivable	HoldCo	OpCo	\$138,000	\$138,079
Intercompany Receivable	OpCo	HoldCo	\$26,300,000	\$26,300,000
Intercompany Receivable	TopCo	HoldCo	\$2,100,000	\$2,132,044

1) The February 2021 Term Loan and February 2021 Revolver

10. In February 2021, TopCo raised approximately \$92.9 million in a private placement. On February 12, 2021, TopCo transferred those proceeds to OpCo. The Debtor Parties elected to treat \$5.1 million of the \$92.9 million advanced as an equity contribution from TopCo to OpCo. The Debtor Parties treated the remaining \$87.5 million as debt. More specifically, the transactions were structured as a \$70 million term loan and a \$17.5 million revolving loan (together, the “February 2021 Intercompany Transfers”). At the time of the funding, TopCo and OpCo did not memorialize the transfer in writing.

11. Months later, on or around November 4, 2021, TopCo and OpCo documented the February 2021 Intercompany Transfers. On that date, TopCo and OpCo executed two agreements, both effective as of February 12, 2021: (a) the \$70 million Term Loan Agreement; and (b) the \$17.5 million Revolving Credit Agreement.

2) October 2021 HoldCo Promissory Note

12. On October 26, 2021, HoldCo issued a promissory note to TopCo to document an unsecured loan of \$6 million from TopCo. The note was documented and fully executed, and the Board ratified it within a month of funding. Although interest accrued on the principal balance of the October 2021 HoldCo Promissory Note, HoldCo never made any interest payments.

3) November 2021 Intercompany Transfer

13. TopCo raised \$75 million in November 2021 and transferred that amount to OpCo (the “November 2021 Intercompany Transfer”). The Debtor Parties elected to treat the entire \$75 million as a loan from TopCo to OpCo. OpCo used the proceeds for working capital. Unlike the February 2021 Intercompany Transfers and the October 2021 HoldCo Promissory Note, the parties never documented the November 2021 Intercompany Transfer. Although interest accrued on the principal balance of the November 2021 Transfer, OpCo never made any interest payments.

4) May 2022 Intercompany Transfer

14. In May 2022, TopCo raised \$57 million of equity and advanced that amount to OpCo (the “May 2022 Intercompany Transfer”). The parties never documented the May 2022 Intercompany Transfer. OpCo used the proceeds of the May 2022 Intercompany Transfer for working capital. Although interest accrued on the principal balance of the May 2022 Intercompany Transfer, OpCo never made any interest payments.

5) June 2022 HoldCo Intercompany Transfer

15. In June 2022, HoldCo received an investment under the Alameda Loan Facility (as defined in the Plan) in the amount of \$75 million from Alameda (as defined in the Plan) for the purpose of providing funding directly to OpCo and transferred the entire investment down to OpCo (the “June 2022 Holdco Intercompany Transfer”). The parties never documented the June 2022 Holdco Intercompany Transfer. TopCo guaranteed HoldCo’s obligations to Alameda in connection with Alameda’s investment.

6) Intercompany Receivables

16. The Debtor Parties historically, in the ordinary course of business, engaged in routine business relationships with each other, including making payments by one Debtor on behalf of another, resulting in intercompany receivables between Debtor entities (collectively, the “Intercompany Receivables”). As of the Petition Date, the following Intercompany Receivables were outstanding: (a) approximately \$138,079 owed by OpCo to HoldCo; (b) approximately \$26.3 million owed by HoldCo to OpCo; and (c) approximately \$2.1 million owed by HoldCo to TopCo.

II. The Commencement of the Chapter 11 Cases

17. On July 5, 2022 (the “Petition Date”), each Debtor Party filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code.

18. Approximately two months after the Petition Date, the Debtor Parties filed their respective Schedules of Assets and Liabilities. OpCo disclosed the following amounts owed to TopCo and HoldCo in its Schedule F-1, Non-Customer Creditors Who Have Non-Priority Unsecured Claims: (a) \$1,477,523.21 owed to TopCo in connection with the February 2021 Revolver; (b) \$75,528,875.00 owed to HoldCo in connection with the Alameda Loan Facility; and (c) \$215,981,185.39 owed to TopCo in connection with various Intercompany Transactions. *See* Case No. 22-10945, Dkt. No. 9, at 5, 397.

19. HoldCo, in its Schedule F-1, Non-Customer Creditors Who Have Non-Priority Unsecured Claims, disclosed the following amounts owed to TopCo: (a) \$6,329,942.60 in connection with the October 2021 HoldCo Promissory Note; and (b) \$2,132,044.79 in connection with an Intercompany Receivable. *See* Case No. 22-10943, Dkt. No. 321, at 41.

20. TopCo disclosed in its Schedule A/B, Real and Personal Property that, as of the Petition Date, TopCo held \$233,125,616.66 in assets, which included, among other things, \$2,488,537.36 in cash or cash equivalents and \$229,939,304.85 in intercompany receivables and investments. *See* Case No. 22-10944, Dkt. No. 8, at 26, 34–35.

III. Post-Petition Events Concerning the Intercompany Transactions

21. On the Petition Date, each Debtor Party's board of directors appointed independent fiduciaries with the authority to, among other things, investigate prepetition intercompany transactions between the Debtor Parties. Specifically, on the Petition Date, (a) the board of directors of TopCo voted to appoint Matthew Ray as independent director of TopCo (the "TopCo Independent Director"), who later retained Katten Muchin Rosenman LLP, as of November 11, 2022, as counsel to TopCo to act on behalf of and at the direction of the TopCo Independent Director, (b) HoldCo's board of directors voted to appoint Scott Vogel as independent director of

HoldCo (the “HoldCo Independent Director”), who later retained ArentFox Schiff LLP to act on behalf of and at the direction of the HoldCo Independent Director, and (c) the board of directors of OpCo voted to appoint Timothy Pohl and Jill Frizzley as independent directors of OpCo (together, the “OpCo Independent Directors,”⁴ and collectively with the TopCo Independent Director and the HoldCo Independent Director, the “Independent Directors”), who retained Quinn Emanuel Urquhart & Sullivan, LLP to act on behalf of and at the direction of the OpCo Independent Directors.

22. After the AHEG organized and formed, it reviewed the treatment of the Intercompany Transfers and Intercompany Receivables on the Debtors’ Schedules of Assets and Liabilities filed in the Chapter 11 Cases as well as the First and Second Reports filed by the Information Officer in the Debtors’ Canadian proceeding. Posner Decl. ¶ 4. Based upon those documents, the AHEG, through counsel, engaged the Debtors regarding the Intercompany Transfers and Intercompany Receivables and appeared in the Chapter 11 Cases. *Id.* During the first few months of the Chapter 11 Cases, the AHEG engaged in informal discovery and discussions with the Debtors’ professionals regarding the Intercompany Claims and the treatment of the same in the Debtors’ disclosure statement and plan. *Id.* On October 12, 2022, the AHEG filed an objection to the *Debtors’ Motion for Entry of an Order Approving (I) the Adequacy of the Disclosure Statement, (II) Solicitation and Notice Procedures, (III) Forms of Ballots and Notices in Connection Therewith, and (IV) Certain Dates With Respect Thereto* [Docket No. 524] raising its concerns regarding the Debtors’ treatment of the Intercompany Claims and the proposed recoveries for creditors and equity holders of TopCo. *Id.* As a result of the AHEG’s objection,

⁴ Jill Frizzley resigned before the Effective Date, so Timothy Pohl is OpCo’s sole independent director.

additional language was added to the Disclosure Statement regarding the Intercompany Claims and the Debtors' positions with respect to the validity of same. *Id.*

23. After a few months of dialog with the Debtors and service of informal discovery requests as well as production of documents to the AHEG, on November 11, 2022, the AHEG commenced an adversary proceeding against the Debtor Parties and Alameda Ventures Ltd. styled *The Ad Hoc Group of Equity Interest Holders of Voyager Digital Ltd. v. Voyager Digital Holdings, Inc. et al.*, Adv. Pro. No. 22-01170 (MEW) (Bankr. S.D.N.Y. 2022) (the "Adversary Proceeding"). *Id.* at ¶ 6. In the Adversary Proceeding, the AHEG sought, among other things, declaratory judgments that TopCo's Intercompany Claims are valid and enforceable unsecured claims not subject to recharacterization or subordination. The Adversary Proceeding remains pending. The Debtor Parties and the AHEG agreed to extend the Debtor Parties' deadlines to answer or otherwise respond to the complaint while they negotiated. Subsequent to the commencement of the Adversary Proceeding, the Debtors' counsel advised the AHEG's counsel that the Debtors, due to potential conflicts, were turning over the issues with regard to the Intercompany Claims to the Independent Directors and their respective counsel for investigation and potential resolution. *Id.* at ¶ 7.

24. The Independent Directors and their respective counsel subsequently entered into arm's length, intense negotiations to try to resolve the Intercompany Claims. In preparation for those negotiations, each of the Independent Directors' respective counsel conducted separate, extensive investigations into the Intercompany Transactions. Those investigations involved, among other things, (a) conducting interviews with numerous relevant personnel and financial advisors of the Debtor Parties, (b) reviewing the Debtor Parties' books and records and thousands of other documents the Debtor Parties produced, and (c) conducting legal analysis regarding the

merits and weaknesses of the Intercompany Claims. Throughout this process, each of the Independent Directors met regularly with their respective independent counsel to stay apprised of the status of investigations and provide guidance to independent counsel in connection therewith. During that period, counsel to the AHEG had numerous meetings and exchanges of a legal and factual nature with counsel for the TopCo Independent Director. *Id.* at ¶ 13.

IV. Voyager/FTX Stipulation

25. On February 28, 2023, the Debtor Parties filed their *Motion for Entry of an Order Approving the Joint Stipulation By and Among the Debtors, the FTX Debtors, and Their Respective Unsecured Creditor Committees* [Docket No. 1106] (the “Voyager/FTX Stipulation”).

26. The Voyager/FTX Stipulation provides, among other things, that “[t]he FTX Debtors will, at the Voyager Debtors’ election with the consent of the Voyager UCC, in their sole discretion, following written notice to counsel to the FTX Debtors and FTX UCC of such election, which written notice shall be given no later than the date that is 30 days after the Voyager Confirmation Hearing, (a) withdraw the Alameda Loan Facility Claims in their entirety, with prejudice to the FTX Debtors or any other party reasserting such claims, or (b) contribute the Alameda Loan Facility Claims to Voyager OpCo.” Voyager/FTX Stip. ¶ 1.

27. On March 14, 2023, the AHEG filed an objection to the Voyager/FTX Stipulation [Docket No. 1176] raising concerns regarding the potential contribution of the Alameda Loan Facility Claims and Alameda’s distribution under the Plan for its equity interests in TopCo to OpCo for assertion against TopCo.

28. After the AHEG filed its objection to the Voyager/FTX Stipulation, the Debtor Parties’ counsel advised the AHEG that Alameda had agreed to waive, and not contribute to OpCo,

the Alameda Loan Facility Claims. Such waiver resulted in the expungement of \$75 million in alleged general unsecured claims against TopCo and HoldCo.

29. On April 6, 2023, the Court entered an order approving the Voyager/FTX Stipulation [Docket No. 1266], which expressly provides that Alameda waived any and all recoveries on account of the Alameda Loan Facility Claims and its equity interests in TopCo and would not contribute the Alameda Loan Facility Claims to OpCo.

V. Voyager/Governmental Claimants Stipulation

30. Multiple governmental units have asserted claims against the Debtor Parties.⁵ The total amount asserted in the Governmental Proofs of Claim is approximately \$60.9 billion, inclusive of unliquidated claims.

31. On March 1, 2023, the Debtor Parties entered into that certain *Joint Stipulation and Agreed Order Between the Debtors and Governmental Claimants* [Docket No. 1124] (the “Voyager/Governmental Claimants Stipulation”). Under the Voyager/Governmental Claimants Stipulation, the Signatory Governmental Claimants (as defined in the Voyager/Governmental Claimants Stipulation) agreed that “[a]ny Allowed Signatory Governmental Claims that are Allowed Class 4A OpCo General Unsecured Claims shall be subordinated to (x) Allowed Class 3 Account Holders Claims, and (y) Allowed Class 4A OpCo General Unsecured Claims, *excluding* any Allowed Signatory Governmental Claims, until Holders of Allowed Class 3 Account Holder Claims receive payment in full.” Voyager/Governmental Claimants Stip. ¶ 2. Further, “[a]ny recoveries on account of Allowed Signatory Governmental

Claims that are Allowed Class 4B HoldCo General Unsecured Claims or Allowed Class 4C TopCo General Unsecured Claims shall be contributed to OpCo for distribution to Holders of Allowed Class 3 Account Holder Claims until Holders of Allowed Class 3 Account Holder Claims receive payment in full.” *Id.* ¶ 3.

32. As of the date hereof, the Court has not yet approved the Voyager/Governmental Claimants Stipulation.

VI. Plan and Confirmation

33. On February 22, 2023, the AHEG filed the *Objection of the Ad Hoc Group of Equity Holders to Confirmation of the Third Amended Joint Plan of Voyager Digital Holdings, Inc. and its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 1050], objecting, in part, to the proposed treatment of the Intercompany Claims under the Plan. At the Confirmation Hearing, the AHEG’s counsel examined the Plan Administrator and raised concerns to the Court regarding the Plan Administrator’s ability to remove the Independent Directors and act on behalf of the Debtor entities where conflicts between such entities existed. Posner Decl. ¶ 10.

34. On March 10, 2023, the Court entered the *Corrected and Amended Order (I) Approving the Second Amended Disclosure Statement and (II) Confirming the Third Amended Joint Plan of Voyager Digital Holdings, Inc. and Its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [Docket No. 1166] (the “Confirmation Order”) confirming the Plan. On May 19, 2023, the Effective Date of the Plan occurred. [Docket No. 1405].

35. The Plan and Confirmation Order, among other things, provided for the appointment of the Plan Administrator as the sole representative of the Wind-Down Debtors’ estates. The Plan Administrator has the authority to administer, pursue, prosecute, litigate, settle, dismiss, or otherwise take action with respect to the Wind-Down Debtors’ claims and causes of

action except with respect to Conflict Matters (as defined in the Plan Administrator Agreement). Resolving those matters requires the approval of the Independent Directors, which is why the Confirmation Order provided that the Independent Directors shall remain in place “at each Debtor to act as a fiduciary for such Debtor entity solely in connection with matters that may implicate actual or potential intra-Debtor conflicts of interests” including, among other things, Conflict Matters, the Intercompany Claims and the Voyager/Governmental Claimants Stipulation. Such language was negotiated between counsel for the AHEG, counsel for the Debtors, and counsel for the Committee. Posner. Decl. ¶ 10.

VII. Settlement Agreement

36. Over the course of several months, counsel for the AHEG engaged in extensive discussions with counsel for the TopCo Independent Director regarding the Intercompany Claims, the AHEG’s analysis of the same, which informed the negotiating posture of all parties, and the proposed settlement terms. *Id.* at ¶ 13. Counsel for the AHEG and counsel for the TopCo Independent Director had numerous phone calls and videoconferences and exchanged extensive email correspondence, particularly subsequent to confirmation of the Plan when the AHEG was first advised that settlement terms as set forth in the Settlement Agreement had tentatively been reached between the Independent Directors subject to documentation. *Id.*

37. On September 8, 2023, the Settlement Parties agreed to settle the disputes surrounding the Intercompany Claims by entering into the Settlement Agreement, which remains subject to Court approval in all respects. The table below summarizes the key terms of the Settlement Agreement⁶:

⁶ This summary of the Settlement Agreement is for illustrative purposes only. To the extent the terms in the Settlement Agreement are inconsistent with the terms set forth in this summary, the terms of the Settlement Agreement control in all respects.

§ Ref.	Term
§ 2	The Agreement and the terms contained therein shall not be effective and binding on the Parties until the date on which the following conditions precedent have been satisfied (such date, the “ <u>Settlement Effective Date</u> ”): (i) the Bankruptcy Court shall have entered a final, non-appealable order approving the Settlement Agreement; and (ii) the Bankruptcy Court shall have entered a final, non-appealable order approving the Voyager/Governmental Claimants Stipulation in form and substance reasonably satisfactory to the Plan Administrator.
§ 2	The Plan Administrator shall use its reasonable best efforts to obtain Bankruptcy Court approval of the Settlement Agreement pursuant to Rule 9019 of the Federal Rules of Bankruptcy Procedure, and each of the Settlement Parties agrees to support and take all actions reasonably necessary to facilitate the approval of the Settlement Agreement by the Bankruptcy Court. Without limiting the generality of the foregoing, each of the Settlement Parties agrees that it will not directly or indirectly object to, delay, impede, or take any other action to interfere with the approval of the Settlement Agreement by the Bankruptcy Court and implementing the terms contained therein.
§ 3(i)	TopCo shall have an allowed general unsecured claim against OpCo in the aggregate amount of \$35,235,000 to be classified in Class 4A of the Plan as an OpCo General Unsecured Claim (as defined in the Plan).
§ 3(ii)	HoldCo shall receive no recovery on its Intercompany Claims or any other claims against TopCo or OpCo, and each of TopCo and OpCo shall receive no recovery on their Intercompany Claims or any other claims against HoldCo.
§ 3(iii)	Any and all administrative priority expense claims under Bankruptcy Code section 503(b) held at any time by OpCo against TopCo and/or HoldCo shall be waived and released in their entirety.
§ 3(iv)	Any and all administrative priority expense claims under Bankruptcy Code section 503(b) held at any time by TopCo against OpCo and/or HoldCo shall be waived and released in their entirety.
§ 3(v)	Any and all administrative priority expense claims under Bankruptcy Code section 503(b) held at any time by HoldCo against OpCo and/or TopCo shall be waived and released in their entirety.
§ 3(vi)	No Party shall appeal, challenge or in any way seek to set aside the Voyager/FTX Order or otherwise contest the withdrawal of the Alameda Loan Facility Claims.
§ 3(vii)	The Settlement Parties shall take all actions reasonably necessary to support the allowance of the AHEG Parties’ administrative priority expense claim(s) under section 503(b)(3)(D) of the Bankruptcy Code against TopCo in an amount not to exceed \$1,700,000 on account of the substantial contribution made by the AHEG in the Chapter 11 Cases (the “ <u>AHEG Substantial Contribution Claim</u> ”). In the event the Court does not approve the AHEG Substantial Contribution Claim as part of the motion seeking approval of the Settlement Agreement, the Parties shall affirmatively support any separate motion filed by the AHEG Parties seeking court approval of the AHEG Substantial Contribution Claim. The AHEG Substantial Contribution Claim shall be paid within five business days after any Court order approving the allowance of the AHEG Substantial Contribution Claim becomes a final non-appealable order via wire transfer.

§ Ref.	Term
§ 3(viii)	Within five (5) business days following the Settlement Effective Date, the Adversary Proceeding shall be dismissed with prejudice and without costs to any party or otherwise.
§ 3(ix)	Upon the Settlement Effective Date, the retention of each Independent Director by TopCo, HoldCo and OpCo, respectively, shall be terminated, except that each Independent Director and its counsel shall remain in place solely with respect to application and allowance for Professional Fee Claims (as defined in the Plan) made by professionals acting at the direction of the respective Independent Directors in accordance with the terms of the Plan.
§ 4	Except as otherwise provided in Section 3 of the Settlement Agreement, each Settlement Party, on behalf of itself and its predecessors, successors and assigns, subsidiaries, affiliates, current and former officers, directors, principals, shareholders, members, partners, employees, agents, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, and other professionals, in each case in their capacity as such (collectively, the “ <u>Releasing Parties</u> ”), hereby expressly and generally releases, acquits, and discharges (i) each of the other Settlement Parties, (ii) each of the Settlement Parties’ respective predecessors, successors and assigns, subsidiaries, affiliates, current and former officers, principals, shareholders, members, partners, employees, agents, financial advisors, attorneys, accountants, investment bankers, consultants, representatives, and other professionals, in each case in their capacity as such, and (iii) the current and former directors (including the Independent Directors) of each of the Settlement Parties and their subsidiaries, in each case for the foregoing sub-clauses (i) through (iii), in their capacity as such (collectively, the “ <u>Released Parties</u> ”), from any and all claims, obligations, allegations, demands, promises, acts, agreements, contracts, costs, expenses, rights, suits, damages, causes of action, remedies, and liabilities whatsoever, including any derivative claims asserted or assertable on behalf of the Parties, any claims asserted or assertable on behalf of any holder of any claim against or interest in the Debtors or Wind-Down Debtors, and any claims asserted or assertable on behalf of any other entity, whether known or unknown, foreseen or unforeseen, matured or unmatured, in law, equity, contract, tort, or otherwise, by statute or otherwise, that such Releasing Parties (whether individually or collectively) ever had, now has, or may have, based on or relating to, or in any manner arising from, in whole or in part, the Intercompany Transactions and/or Intercompany Claims, the negotiation, formulation, preparation, or execution of the transactions underlying the Intercompany Claims, in each case, arising on or before the execution of this Agreement; <u>provided, however</u> , (a) the provisions in Section 4 shall not operate to waive or release rights to enforce the Settlement Agreement, and (b) to the extent the releases contained in Section 4 conflict with the terms of the Plan, the Plan shall control.

38. The AHEG Parties do not object to the terms and conditions of the Settlement Agreement or the relief requested herein.

RELIEF REQUESTED

39. By this Motion, the Plan Administrator requests entry of the Proposed Order, substantially in the form attached hereto as **Exhibit A**, approving the proposed settlement among the Settlement Parties and granting related relief.

BASIS FOR RELIEF REQUESTED

40. Bankruptcy Rule 9019(a) provides that “[o]n motion by the [debtors] and after notice and a hearing, the court may approve a compromise or settlement.” Fed. R. Bankr. P. 9019(a). As such, Bankruptcy Rule 9019(a) “empowers the Court to approve compromises and settlements if they are in the best interests of the estate.” *Vaughn v. Drexel Burnham Lambert Grp., Inc. (In re Drexel Burnham Lambert Grp., Inc.)*, 134 B.R. 499, 505 (Bankr. S.D.N.Y. 1991).

41. In determining whether to approve a proposed settlement, a court must find that the settlement is fair and equitable, reasonable, and in the best interests of the debtor’s estates and creditors. *See Protective Comm. for Indep. S’holders of TMT Trailer Ferry, Inc. v. Anderson*, 390 U.S. 414, 424 (1968); *Air Line Pilots Ass’n, Int’l. v. Am. Nat’l Bank & Tr. Co. of Chicago (In re Ionosphere Clubs, Inc.)*, 156 B.R. 414, 426 (S.D.N.Y. 1993), *aff’d*, 17 F.3d 600 (2d Cir. 1994). The decision to approve a particular compromise or settlement is within the sound discretion of the Court. *Drexel Burnham*, 134 B.R. at 505. That “discretion should be exercised in light of the general public policy favoring settlements.” *In re Hibbard Brown & Co., Inc.*, 217 B.R. 41, 46 (Bankr. S.D.N.Y. 1998); *see also Nellis v. Shugrue*, 165 B.R. 115, 123 (S.D.N.Y. 1994) (“[T]he general rule [is] that settlements are favored and, in fact, encouraged by the approval process outlined above.”).

42. A court need not decide the numerous issues of law and fact a settlement raises to approve the settlement under Bankruptcy Rule 9019; rather, it should “canvass the issues and see whether the settlement ‘fall[s] below the lowest point in the range of reasonableness.’” *Cosoff v. Rodman (In re W.T. Grant Co.)*, 699 F.2d 599, 608 (2d Cir. 1983) (quoting *Newman v. Stein*, 464 F.2d 689, 693 (2d Cir. 1972)); *In re Lynch*, No. 19-CV-3837(GRB), 2022 WL 1606000, at *3 (E.D.N.Y. May 20, 2022) (same); *In re Purofied Down Prods. Corp.*, 150 B.R. 519, 522 (S.D.N.Y. 1993) (explaining that when determining what constitutes reasonableness, the court need not conduct a “mini-trial” on the merits). In other words, “[a]ll that [the proponent of the settlement] must do is establish . . . [that] it is prudent to eliminate the risks of litigation to achieve specific certainty though admittedly [the settlement] might be considerably less (or more) than were the case fought to the bitter end.” *FloridaTrailer & Equip. Co. v. Deal*, 284 F.2d 567, 573 (5th Cir. 1960) (citation omitted).

43. Courts in the Second Circuit apply the following factors in determining whether a settlement meets the requirements of Bankruptcy Rule 9019:

- (a) the probability of success in litigation, with due consideration for the uncertainty in fact and law;
- (b) the difficulties of collecting any litigated judgment;
- (c) the complexity and likely duration of the litigation and any attendant expense, inconvenience, and delay;
- (d) the proportion of creditors who do not object to, or who affirmatively support, the proposed settlement;
- (e) the competence and experience of counsel who support the settlement;
- (f) the relative benefits to be received by members of any affected class;
- (g) the extent to which the settlement is truly the product of arm’s-length bargaining and not the product of fraud or collusion; and
- (h) the debtor’s informed judgment that the settlement is fair and reasonable.

In re Adelphia Commc'ns Corp., 368 B.R. 140, 226 (Bankr. S.D.N.Y. 2007) (citing *In re Texaco, Inc.*, 84 B.R. 893, 902 (Bankr. S.D.N.Y. 1988)); *Purofied Down Prods.*, 150 B.R. at 522; *Drexel Burnham*, 134 B.R. at 506. Here, each of these factors supports approval of the Settlement Agreement.

I. The Settlement Agreement Is in the Best Interests of the Wind-Down Debtors' Estates and Their Creditors.

44. The Settlement Agreement is fair and equitable, reasonable, and in the best interests of the Wind-Down Debtors' estates and creditors. First, litigating the Intercompany Claims will be vigorously contested and the outcome of any such litigation, including the Adversary Proceeding, will be uncertain. The fact-intensive nature of the Intercompany Claims would result in extensive discovery and numerous depositions. In fact, the only certainty is that such litigation will involve extensive delay to further distributions and significant costs which are ultimately borne by creditors.

45. Second, because of the likely length (including the time for appeals) and uncertain outcome, litigating these Intercompany Claims, including in connection with the Adversary Proceeding, could lead to a significant decrease in the recovery to the creditors most affected by these Chapter 11 Cases: OpCo's customers. For example, if the Intercompany Transactions were found to constitute valid loans from TopCo and HoldCo, respectively, to OpCo, then TopCo and HoldCo may be entitled to substantial claims against OpCo. Any recovery on account of those claims would come primarily at the expense of OpCo's customers because their claims are concentrated at OpCo. The Settlement Agreement avoids lengthy, costly, and value-destructive litigation involving complex issues. "Avoiding this gamble is in the paramount interests" of creditors. *In re NII Holdings, Inc.*, 536 B.R. 61, 118 (Bankr. S.D.N.Y. 2015).

II. The Settlement Agreement Avoids the Expense and Disruption of Litigating to a Final Judgment the Nature of the Intercompany Transactions and Results in Other Cost Savings.

46. The Settlement Parties agree that litigating the Intercompany Claims, including in connection with the Adversary Proceeding, is a heavily fact-intensive exercise, unlikely to be resolved at the summary judgment stage, and therefore litigating the nature of the Intercompany Transactions makes little sense under the circumstances. *See, e.g., NII Holdings*, 536 B.R. at 118 (approving settlement and noting that litigation of recharacterization of the subject transfers would entail considerable discovery for each transaction, followed by complex and lengthy litigation, the outcome of which would be uncertain). If the Court grants the Motion, the Settlement Agreement will avoid the costs and disruption associated with discovery, dispositive motions practice, trial, and other activities that would accompany a continuing litigation, including in connection with the Adversary Proceeding. *See In re Ambac Fin. Grp., Inc.*, 457 B.R. 299, 306 (Bankr. S.D.N.Y. 2011) (finding this factor satisfied where estate received value for releasing derivative claims by “avoiding the significant legal costs in the actions”).

47. Further, not only does the Settlement Agreement preserve resources and avoid potentially lengthy, uncertain, and value-destructive litigation (including in connection with the Adversary Proceeding), it also delivers an immediate economic impact. Under the terms of the Settlement Agreement, upon the Settlement Effective Date, the retention of each Independent Director by TopCo, HoldCo and OpCo, respectively, shall be terminated, except that each Independent Director and its counsel shall remain in place solely with respect to application and allowance for Professional Fee Claims (as defined in the Plan) made by professionals acting at the direction of the respective Independent Directors in accordance with the terms of the Plan. *See* Settlement Agreement, § 3(ix). Approval of the Settlement Agreement will thus necessarily result in cost savings that will ultimately benefit the customers and other creditors of the Debtor Parties.

III. The Remaining Factors All Weigh in Favor of Approving the Settlement Agreement.

48. With respect to the remaining factors, there can be no dispute that the Settlement Agreement is “the product of arm’s length bargaining” and was negotiated by competent and experienced counsel. *See Motorola, Inc. v. Official Comm. Of Unsecured Creditors (In re Iridium Operating LLC)*, 478 F.3d 452, 462 (2d Cir. 2007) (citations and internal quotation marks omitted).

49. All the Settlement Parties have been represented by skilled and experienced bankruptcy and litigation practitioners during these Chapter 11 Cases, as well as throughout all negotiations regarding the Settlement Agreement, which weighs heavily in favor of approving the Settlement Agreement. *See, e.g., Adelphia*, 327 B.R. at 226; *In re Chemtura Corp.*, 439 B.R. 561, 608 (Bankr. S.D.N.Y. 2010) (holding that settlement easily satisfied the Second Circuit’s requirements, in part, because “[n]o argument has been made, nor could any argument be made, that the counsel who put the Settlement together were anything less than highly skilled in their craft, and knowledgeable in the considerations underlying a settlement of this character”).

50. Moreover, the Settlement Agreement is the product of good-faith negotiations and “represents the considered judgment of economically motivated parties who were negotiating at arm’s-length to reach the best settlement that could be achieved under the circumstances.” *JP Morgan Chase Bank, N.A. v. Charter Commc’ns Operating, LLC (In re Charter Commc’ns)*, 419 B.R. 221, 257 (Bankr. S.D.N.Y. 2009); *see also Chemtura*, 439 B.R. at 608.

IV. The AHEG and its Professionals Provided a Substantial Contribution to the Estates.

51. The Bankruptcy Code expressly authorizes payment of reasonable compensation for services rendered and reimbursement of expenses incurred by an equity security holder or a committee representing equity security holders whose participation provided a substantial contribution in a Chapter 11 case, as well as payment of reasonable services for professional services provided and expenses incurred by an attorney of such parties whose expense is allowable

under the Bankruptcy Code. *See* 11 U.S.C. §§ 503(b)(3)(D), 503(b)(4). Generally, a substantial contribution award is made where there has been “extraordinary creditor actions which lead directly to tangible benefits to the creditors.” *In re Bayou Group, LLC*, 431 B.R. 549, 560–61 (Bankr. S.D.N.Y. 2010); *In re Dana Corp.*, 390 B.R. 100, 108 (Bankr. S.D.N.Y. 2008) (substantial contribution test satisfied when an “actual and demonstrable benefit” is shown). Courts consider the following factors in deciding whether a substantial contribution has been made: (1) whether the services were provided to benefit solely the client or all the parties in the case; (2) whether the services conferred a direct, significant and demonstrably positive benefit upon the estate; and (3) whether the services were duplicative of services performed by others. *In re Best Prods. Co., Inc.*, 173 B.R. 862, 865 (Bankr. S.D.N.Y. 1994).

52. In addition, although the amount to be allowed as an administrative expense must be measured in dollars and cents, the question whether the estate has been benefitted cannot be so narrowly confined; the estate may receive “other less readily calculable benefits.” *In re Am. Plumbing & Mech., Inc.*, 327 B.R. 273, 282–83 (Bankr. W.D. Tex. 2005) (*quoting In re TransAmerican Natural Gas Corp.*, 978 F.2d 1409, 1420 (5th Cir. 1992) and noting that such benefits may include “lowering the ‘temperature’ of a case by preventing excessive litigation and encouraging cooperation”); *see also In re Paolino*, 71 B.R. 576, 580 (Bankr. E.D. Pa. 1987) (urging the appointment of a chapter 11 trustee constituted a substantial contribution); *In re General Electrodynamics Corp.*, 368 B.R. 543, 554–56 (Bankr. N.D. Tex. 2007) (finding the applicant’s actions as a surrogate creditors’ committee that policed the debtors a substantial contribution); *In re Texaco, Inc.*, 90 B.R. 622, 626–30 (Bankr. S.D.N.Y. 1988) (finding the work performed by shareholder attorneys, which resulted in adequate disclosure to the shareholders and elucidation of the facts, was a substantial contribution to the debtors’ chapter 11 cases); *In re*

Mechem Fin. Inc., 152 B.R. 57, 60 (Bankr. W.D. Pa. 1993) (the elucidation of facts by debtor's former director that brought the debtor's illicit activities to light was a substantial contribution in assisting the trustee to carry out his responsibilities; without such efforts, the debtor would have dissipated all assets).

53. As set forth in detail above and in the Declarations attached hereto, the services provided by the AHEG and its professionals created a substantial benefit for creditors in this case, including the general unsecured creditors of TopCo. The AHEG continuously pushed the Debtors and their respective Independent Directors through, among other things, (i) demands for discovery, (ii) the commencement of the Adversary Proceeding, and (iii) objections to the Disclosure Statement, Voyager/FTX Stipulation, and confirmation of the Plan, to ensure that the Intercompany Claims were appropriately investigated through the Independent Directors and distributions were made to the Debtors' creditors on account of such Intercompany Claims. The AHEG's efforts as one of the principal parties working to resolve the Intercompany Claims in this case were performed for the benefit of all parties, and, as such, the Settlement Parties believe the substantial contribution claim set forth in the Settlement Agreement is reasonable, appropriate, and in the best interests of the estates.

54. Without the efforts of the AHEG and its professionals, the Intercompany Claims may have been cancelled as between the Debtors or not allowed at the priority of general unsecured claim. TopCo creditors would not have received any of the benefit they will receive as a result of the Settlement Agreement. The Plan Administrator projects that the unsecured claim allowed to TopCo as a result of the AHEG's and the Independent Directors' efforts will have a cash value between \$14 million to \$25 million that will inure to the benefit of TopCo stakeholders based upon the distribution scheme contained within the Plan. TopCo further benefits from the waiver of

administrative expense claims OpCo and/or HoldCo could have asserted against TopCo, which could have been very substantial in amount. The Settlement Parties believe the proposed \$1.7 million fee is appropriate considering that, without the AHEG's efforts, TopCo may not have received any of the foregoing value. The actions undertaken by the AHEG throughout the Chapter 11 Cases were intended to increase recoveries for TopCo's stakeholders in accordance with the Bankruptcy Code's priority scheme. In light of the magnitude of certain claims filed by the Governmental Claimants (discussed below and in the Voyager/Governmental Claims Stipulation) against TopCo, value will not flow to equity interest holders of TopCo; however, TopCo's estate will receive significant value under the Settlement Agreement. The activities of the AHEG in this case generated action on the part of the Independent Directors, ultimately facilitating in the Settlement Agreement and the increased distributions to TopCo's creditors.

55. Each of the Settlement Parties is supportive of the substantial contribution claim of the AHEG's professionals and believes that the claim is an important part of the Settlement Agreement. For the foregoing reasons, the Court should approve the substantial contribution claim set forth in the Settlement Agreement.

V. The Voyager/Governmental Claimants Stipulation Should Be Approved.

56. As discussed above, prior to the Confirmation Hearing, the Debtor Parties entered into the Voyager/Governmental Claimants Stipulation. Under the Voyager/Governmental Claimants Stipulation, the Signatory Governmental Claimants (as defined in the Voyager/Governmental Claimants Stipulation) agreed that "[a]ny Allowed Signatory Governmental Claims that are Allowed Class 4A OpCo General Unsecured Claims shall be subordinated to (x) Allowed Class 3 Account Holders Claims, and (y) Allowed Class 4A OpCo General Unsecured Claims, *excluding* any Allowed Signatory Governmental Claims, until Holders of Allowed Class 3 Account Holder Claims receive payment in full." Voyager/Governmental

Claimants Stip. ¶ 2. Further, “[a]ny recoveries on account of Allowed Signatory Governmental Claims that are Allowed Class 4B HoldCo General Unsecured Claims or Allowed Class 4C TopCo General Unsecured Claims shall be contributed to OpCo for distribution to Holders of Allowed Class 3 Account Holder Claims until Holders of Allowed Class 3 Account Holder Claims receive payment in full.” *Id.* ¶ 3.

57. At the Confirmation Hearing, the Court questioned whether the Voyager/Governmental Claims Stipulation either (a) constituted an impermissible gift under Second Circuit precedent or (b) violated the Bankruptcy Code’s priority scheme. *See Confirmation Hr’g Tr.*, 18:17–20, Mar. 2, 2023. The Voyager/Governmental Claimants Stipulation does neither.

58. “Gifting” refers to the practice employed in nonconsensual confirmation in which one class transfers, or “gifts,” part of the distribution it expects to receive under the chapter 11 plan to another class. *In re DBSD N. Am., Inc.*, 634 F.3d 79, 97 (2d Cir. 2011). There are two types of “gifting” techniques. The first is “vertical gifting,” where a senior class proposes to skip an intermediate class with its gift, with the effect that a recipient junior class receives more than the skipped intermediate class. *See, e.g., DBSD*, 634 F.3d at 94–95; *In re Armstrong World Industries, Inc.*, 432 F.3d 507, 512 (3d Cir. 2005). In those cases, courts have expressly held that vertical gifting is impermissible under the absolute priority rule, effectively banning the practice in the Second Circuit.

59. The second type is “horizontal” gifting, where a senior class proposes to transfer part of its plan distribution to some, but not all, classes of unsecured creditors. *See, e.g., Hargreaves v. Nuverra Env’tl Solutions, Inc. (In re Nuverra Env’tl Solutions, Inc.)*, 590 B.R. 75, 80 (D. Del. 2018).

60. Importantly, each type of gifting involves a gift from a senior class that results in an entire class of creditors receiving a greater recovery than a higher priority or similarly situated class pursuant to the distribution scheme in a confirmed plan.

61. Here, the Voyager/Governmental Claimants Stipulation does not constitute an impermissible gift because it does not change the Plan's treatment of any class or classes of creditors. The Signatory Governmental Claims are simply contributing their recovery to holders of Allowed Class 3 Account Holders Claims and Allowed Class 4A OpCo General Unsecured Claims. No senior class is skipping an intermediate class with a gift with the effect that a recipient junior class receives more than the skipped intermediate class. The Signatory Government Claimants' decision to subordinate and contribute their recoveries does not adversely affect other creditors in their classes. The only holders of Allowed Class 4A OpCo General Unsecured Claims, Allowed Class 4B HoldCo General Unsecured Claims, and Allowed Class 4C TopCo General Unsecured Claims not receiving their entire recovery as provided under the Plan are the Signatory Government Claimants. In other words, each allowed general unsecured claim holder will still receive the recovery to which the Plan entitles it, including the Signatory Governmental Claimants. The Signatory Governmental Claimants are choosing to treat their recovery in the manner outlined in the Voyager/Governmental Claimants Stipulation. The gifting doctrine is therefore not applicable to the subordination and contribution of the Signatory Governmental Claimants' recoveries.

62. For those same reasons, the Voyager/Governmental Claimants Stipulation does not violate *Czyzewski v. Jevic Holding Corp.*, 580 U.S. 451 (2017). There, the Supreme Court held that a debtor's distribution plan cannot violate the Bankruptcy Code's priority scheme. *Jevic*, 580

U.S. at 458. The issue again was one class of creditors receiving a recovery before a more senior class was paid in full or agreed otherwise.

63. As explained above, holders of Allowed Class 4A OpCo General Unsecured Claims, Allowed Class 4B HoldCo General Unsecured Claims, and Allowed Class 4C TopCo General Unsecured Claims still receive their entire recovery as provided under the Plan. Only the Signatory Governmental Claimants' recovery is affected. The Voyager/Governmental Claimants Stipulation therefore does not violate the Bankruptcy Code's priority scheme.

64. For the foregoing reasons, the Court should grant the Motion and approve the Voyager/Governmental Claimants Stipulation and the Settlement Agreement.

NOTICE

65. The following parties and/or their respective counsel, as applicable, will receive notice of this Motion : (a) the U.S. Trustee; (b) the Debtor Parties; (c) all equity holders of TopCo; (d) the United States Attorney's Office for the Southern District of New York; (e) the Internal Revenue Service; (f) the United States Securities and Exchange Commission; (g) the Toronto Stock Exchange; (h) the attorneys general in the states where the Debtor Parties conduct their business operations; (i) Alameda; (j) Holders of Allowed Class 3 Account Holder Claims; (k) Holders of Allowed Class 4A OpCo General Unsecured Claims; and (l) any party that has requested notice pursuant to Bankruptcy Rule 2002. In light of the requested relief's nature, no other or further notice need be given.

[Remainder of page left intentionally blank]

CONCLUSION

WHEREFORE, the Settlement Parties and the AHEG respectfully requests that the Court enter the Proposed Order granting the relief requested herein and such other and further relief as is just and proper.

15. Severability. If any provision of this Agreement is determined by the Bankruptcy Court or other tribunal of competent jurisdiction to be invalid, illegal, or unenforceable, such determination shall not affect or impair the validity, legality, or enforceability of the remaining provisions, which shall remain in full force and effect, to the extent that enforcement of the remaining provisions would be consistent with the Parties' intent, as contained in the Recitals to this Agreement.

16. Acknowledgment of Counsel. Each Party acknowledges that it was represented by counsel. Accordingly, any rule of law or any legal decision that would provide any Party with a defense to the enforcement of the terms of this Agreement against such Party based upon lack of legal counsel shall have no application and is expressly waived.

(the “Motion”) filed contemporaneously herewith.² Except as otherwise indicated, all facts set forth in this Declaration are based on my personal knowledge, belief or opinion, discussions with independent counsel to Voyager Digital Ltd. Appointment as the Independent Director of TopCo

6. On July 5, 2022, the board of directors (the "Board") of TopCo appointed me as the independent director of TopCo. That same day, the Board of Voyager Digital Holdings, Inc. ("HoldCo") appointed Scott Vogel as the independent director of HoldCo, and the Board of Voyager Digital, LLC's ("OpCo") and together with TopCo and HoldCo, the "Debtor Parties") appointed Timothy Pohl and Jill Frizzley as the independent directors of OpCo.³

7. To the best of my knowledge, TopCo appointed me as the independent director of TopCo based on, among other things, (i) my expertise in the distressed market and professional experience with companies contemplating or undergoing significant restructuring transactions in and out of court, and (ii) the Board of TopCo determining that I was disinterested under the relevant general director independence standards.

8. As the independent director of TopCo, I was tasked with, among other things, analyzing certain prepetition intercompany transactions involving TopCo and the other Debtor Parties (collectively, the "Intercompany Transactions"). TopCo, at my direction as its independent director, retained Katten as legal counsel to investigate, among other things, the Intercompany Transactions (the "Investigation") and to assist me in evaluating, among other things, whether the Intercompany Transactions should be treated as loans or capital contributions. Since my

³ Upon the Plan Effective Date, Ms. Frizzley resigned as a director of OpCo.

appointment as the independent director of TopCo, I have communicated on a regular basis with Katten regarding the status of the Investigation. It is my understanding that the independent directors of HoldCo and OpCo engaged in similar independent investigations with the assistance of their respective legal counsel.

The Investigation

9. In connection with the Investigation, Katten conducted an extensive factual and legal analysis of the Intercompany Transactions. At my direction, Katten submitted targeted but broad diligence requests seeking documentation and information relevant to the Investigation, including, but not limited to, the books and records underlying the Intercompany Transactions. In connection with the Investigation, Katten also interviewed representatives and advisors of the Debtor Parties.

10. The Investigation focused on analyzing whether the following six Intercompany Transactions constitute loans or capital contributions: (i) a \$70 million term loan from TopCo to OpCo on February 12, 2021 (the “February 2021 Term Loan”); (ii) a \$17.5 million revolving loan from TopCo to OpCo (the “February 2021 Revolver”); (iii) a \$6 million loan from TopCo to HoldCo in October 2021 (the “October 2021 HoldCo Promissory Note”); (iv) a \$75 million transfer of funds from TopCo to OpCo in November 2021 (the “November 2021 Intercompany Transfer”); (v) a \$57 million transfer of funds from TopCo to OpCo in May 2022 (the “May 2022 Intercompany Transfer”); and (vi) a \$75 million transfer of funds from HoldCo to OpCo in June 2022 (the “June 2022 HoldCo Intercompany Transfer”).

11. Upon completion of the Investigation, and in consultation with counsel, I concluded that the significant expense, inconvenience, uncertainty, and delay that would be caused by contested litigation concerning the proper characterization of the Intercompany Transactions

justified entry into a settlement amongst TopCo, HoldCo, OpCo and the Plan Administrator, as described below.

Intercompany Transactions

A. February 2021 Term Loan and February 2021 Revolver

12. In February 2021, TopCo raised approximately \$92.9 million in a private placement and transferred those funds to OpCo. TopCo and OpCo elected to treat \$87.5 million of those funds as debt. Specifically, the transfer of funds from TopCo to OpCo were structured as a \$70 million term loan (*i.e.*, the February 2021 Term Loan) and a \$17.5 million revolving loan (*i.e.*, the February 2021 Revolver). At the time of the transfer of funds in February 2021, TopCo and OpCo did not memorialize the transfers in writing. Instead, on or around November 4, 2021, TopCo and OpCo executed documents memorializing the February 2021 Term Loan and the February 2021 Revolver. Both documents were effective as of February 12, 2021. According to TopCo's books and records, starting in June 2021, interest accrued on the principal balances of both the February 2021 Term Loan and the February 2021 Revolver, but OpCo did not make any interest payments under either the February 2021 Term Loan or the February 2021 Revolver.

B. October 2021 HoldCo Promissory Note

13. On October 26, 2021, TopCo made an unsecured loan of \$6 million to HoldCo, and in return, HoldCo issued a promissory note to TopCo. The October 2021 HoldCo Promissory Note was fully executed and documented and was approved by the sole director of HoldCo within a month of funding. According to TopCo's books and records, starting in October 2021, interest accrued on the principal balance of the October 2021 HoldCo Promissory Note, but HoldCo did not make any interest payments.

C. November 2021 Intercompany Transfer

14. In November 2021, TopCo raised \$75 million in funds and transferred those funds to OpCo. OpCo used those funds for working capital. TopCo and OpCo elected to treat the entire \$75 million transfer as a loan from TopCo to OpCo. Neither TopCo nor OpCo documented the November 2021 Intercompany Transfer. According to TopCo's books and records, starting in November 2021, interest accrued on the principal balance of the November 2021 Intercompany Transfer, but OpCo did not make any interest payments.

D. May 2022 Intercompany Transfer

15. In May 2022, TopCo raised \$57 million and transferred those funds to OpCo. OpCo used these funds for working capital. Neither TopCo nor OpCo documented the May 2022 Intercompany Transfer. According to TopCo's books and records, starting in May 2022, interest accrued on the principal balance of the May 2022 Intercompany Transfer, but OpCo did not make any interest payments.

E. June 2022 HoldCo Intercompany Transfer

16. In June 2022, under the Alameda Loan Facility, HoldCo received a \$75 million investment from Alameda. HoldCo transferred those funds to OpCo. The June 2022 HoldCo Intercompany Transfer was not documented. TopCo guaranteed HoldCo's obligations in connection with Alameda's investment. According to TopCo's books and records, starting in June 2022, interest accrued on the principal balance of the June 2022 HoldCo Intercompany Transfer, but OpCo did not make any interest payments.

The AHEG Complaint

17. On November 11, 2022, the Ad Hoc Group of Equity Interest Holders of TopCo ("AHEG") commenced an adversary proceeding against the Debtor Parties and Alameda Ventures Ltd. styled *The Ad Hoc Group of Equity Interest Holders of Voyager Digital Ltd. v. Voyager*

Digital Holdings, Inc. et al., Adv. Pro. No. 22-01170 (MEW) (Bankr. S.D.N.Y. 2022) (the “Adversary Proceeding”). In the Adversary Proceeding, the AHEG sought, among other things, declaratory judgments that TopCo’s Intercompany Claims are valid and enforceable unsecured claims not subject to recharacterization or subordination. The Adversary Proceeding remains pending. The Debtor Parties and the AHEG agreed to extend the Debtor Parties’ deadlines to answer or otherwise respond to the complaint while they attempted to negotiate a settlement. This settlement culminated in the Settlement Agreement that is the subject of the Motion.

The Settlement Agreement

18. Upon the completion of the Investigation, I engaged in arm’s length negotiations, through my counsel at Katten, with counsel for the independent directors at HoldCo and OpCo regarding the proper characterization of the Intercompany Transactions. Those negotiations lasted several months and ultimately culminated in the execution of a Release and Settlement Agreement dated as of September 8, 2023 entered into by and among TopCo, HoldCo, and OpCo, and the Plan Administrator (the “Settlement Agreement”).

19. The key terms of the Settlement Agreement include, among other things:

- i. TopCo shall have an allowed general unsecured claim against OpCo in the aggregate amount of \$35,235,000 to be classified in Class 4A of the Plan as an OpCo General Unsecured Claim (as defined in the Plan).
- ii. HoldCo shall receive no recovery on its Intercompany Claims or any other claims against TopCo or OpCo; and each of TopCo and OpCo shall receive no recovery on their Intercompany Claims or any other claims against HoldCo.
- iii. Any and all administrative priority expense claims under Bankruptcy Code section 503(b) held at any time by OpCo against TopCo and/or HoldCo shall be waived and released in their entirety.

- iv. Any and all administrative priority expense claims under Bankruptcy Code section 503(b) held at any time by TopCo against OpCo and/or HoldCo shall be waived and released in their entirety.
- v. Any and all administrative priority expense claims under Bankruptcy Code section 503(b) held at any time by HoldCo against OpCo and/or TopCo shall be waived and released in their entirety.
- vi. No Party shall appeal, challenge or in any way seek to set aside the Voyager/FTX Order or otherwise contest the withdrawal of the Alameda Loan Facility Claims.
- vii. If none of the AHEG, its individual members and the AHEG's professional advisors (collectively, the "AHEG Parties") object to the Settlement Agreement, the Parties shall take all actions reasonably necessary to support the allowance of the AHEG Parties' administrative priority expense claim(s) under section 503(b)(3)(D) of the Bankruptcy Code against TopCo in an amount not to exceed \$1,700,000 on account of the substantial contribution made by the AHEG in the Chapter 11 Cases (the "AHEG Substantial Contribution Claim"). In the event the Bankruptcy Court does not approve the AHEG Substantial Contribution Claim as part of the motion seeking approval of the Settlement Agreement, the Parties shall affirmatively support any separate motion filed by the AHEG Parties seeking court approval of the AHEG Substantial Contribution Claim. The AHEG Substantial Contribution Claim shall be paid within five business days after any Bankruptcy Court order approving the allowance of the AHEG Substantial Contribution Claim becomes a final non-appealable order via wire transfer.
- viii. Within five (5) business days following the Settlement Effective Date, the Adversary Proceeding shall be dismissed with prejudice and without costs to any party or otherwise.
- ix. Upon the Settlement Effective Date, the retention of each Independent Director by TopCo, HoldCo and OpCo, respectively, shall be terminated, except that each Independent Director and its counsel shall remain in place solely with respect to application and allowance for Professional Fee Claims (as defined in the Plan) made by professionals acting at the direction of the respective Independent Directors in accordance with the terms of the Plan.

20. In light of the expense, inconvenience, uncertainty, and delay of litigation (including the delay that would stem from efforts to compromise, settle, resolve, and dispose of any litigation, including the Adversary Proceeding) concerning the proper characterization of the Intercompany Transactions, I concluded that the Settlement Agreement is fair and equitable, reasonable, and in the best interests of the TopCo estate.

21. The Settlement Agreement avoids the expense and disruption of litigating to a final judgment the nature of the Intercompany Transactions. Litigating the proper characterization of the Intercompany Transactions would be vigorously contested and the outcome of any such litigation would be uncertain. The fact-intensive nature of the Intercompany Transactions would result in extensive discovery and numerous depositions. In fact, the only certainty is that this litigation, including the Adversary Proceeding, would involve extensive delay to further distributions and significant costs which are ultimately borne by creditors.

22. As part of the Settlement Agreement, I believe the AHEG Substantial Contribution Claim should be allowed. The AHEG provided a direct, material, and substantial contribution to the TopCo estate and these chapter 11 cases without the expectation of reimbursement from the estate and was a key participant in settlement negotiations. In connection with the Adversary Proceeding and the Chapter 11 Cases, the AHEG raised colorable arguments regarding, among other things, the strengths and weaknesses of arguments relating to whether the Intercompany Transactions should be treated as loans or capital contributions.

23. In my professional judgment and experience, the Settlement Agreement provides a better result for the TopCo estate than could reasonably be achieved through costly and uncertain litigation, including in connection with the Adversary Proceeding. On that basis, I have endorsed the Settlement Agreement and believe it will maximize value for the TopCo estate.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information, and belief.

Agreement; (B) Approving the Voyager/Governmental Claimants Stipulation; and (C) Granting Related Relief (the “Settlement Motion”) and the *Release and Settlement Agreement* (the “Settlement Agreement”) filed therewith.² Except as otherwise noted, all facts in this Declaration are based on my personal knowledge of the matters set forth herein, information gathered from my review of relevant documents, and information supplied to me by other members of the Wind-Down Debtors’ senior management and their advisors. Accordingly, if called upon to testify, I could and would competently testify as to the statements made in this declaration.

2. During the course of these Chapter 11 Cases I have reviewed and investigated the Intercompany Transactions with retained counsel at ArentFox Schiff LLP. Among those Intercompany Transactions are (i) an unsecured Intercompany Transfer of \$6 million to HoldCo from Voyager Digital Ltd. (“TopCo”); (ii) an Intercompany Receivable of approximately \$2.1 million owed by Holdco to TopCo; (iii) an Intercompany Receivable of approximately \$26.3 million owed by HoldCo to Voyager Digital, LLC (“OpCo”); and (iv) an Intercompany Receivable of approximately \$138,079 owed by OpCo to HoldCo. I also understand that in June 2022 HoldCo transferred funds under the Alameda Loan Facility (as defined in the Plan) in the amount of \$75 million to OpCo. However, following the Bankruptcy Court’s entry of an order approving the Voyager/FTX Stipulation, I understand that the Alameda Loan Facility Claims have been withdrawn in their entirety.

3. Having reviewed these Intercompany Transactions with counsel, I have come to the conclusion that litigation of claims arising under or related to the Intercompany Transfers, the Intercompany Receivables and any other intercompany transactions by and among the Parties (collectively, the “Intercompany Claims”) would be vigorously contested, and entail significant

² Capitalized terms used but not otherwise defined herein shall have the meanings ascribed to such terms in the Settlement Agreement.

legal costs and disruption due to the necessary fact-finding involved with the Intercompany Claims and the complex legal issues surrounding them. I believe that a fair, equitable and reasonable settlement that could avoid continued litigation of the Intercompany Claims and the associated costs of litigation is preferable.

4. I have reviewed the Settlement Motion and the Settlement Agreement, and with the advice of counsel, negotiated the terms with the other Parties. Among other things, as applicable to HoldCo, I understand the Settlement Agreement provides that:

- HoldCo shall receive no recovery on its Intercompany Claims or any other claims against TopCo or OpCo, and each of TopCo and OpCo shall receive no recovery on their Intercompany Claims or any other claims against HoldCo;
- Any and all administrative priority expense claims under Bankruptcy Code section 503(b) held at any time by HoldCo against OpCo and/or TopCo; by TopCo against OpCo and/or HoldCo; and by OpCo against TopCo and/or HoldCo shall be waived and released in their entirety;
- No Party shall appeal, challenge or in any way seek to set aside the Voyager/FTX Order or otherwise contest the withdrawal of the Alameda Loan Facility Claims;
- Upon the Settlement Effective Date, my retention as Independent Director of HoldCo, and the retention of each Independent Director by TopCo and OpCo, shall be terminated, except that each Independent Director and its counsel shall remain in place solely with respect to application and allowance for Professional Fee Claims (as defined in the Plan) made by professionals acting at the direction of the respective Independent Directors in accordance with the terms of the Plan; and
- Each Party expressly and generally releases, acquits and discharges each other Party, among other parties, as more thoroughly detailed in the Settlement Agreement.

5. Based on the foregoing, I have determined that the Settlement Agreement and the relief requested in the Settlement Motion are fair and equitable, reasonable, and are in the best interests of the HoldCo estate, its creditors and other stakeholders.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

STIPULATION; AND (C) GRANTING RELATED RELIEF**

I, Timothy R. Pohl, hereby declare under penalty of perjury to the best of my knowledge, information, and belief as follows:

1. I submit this declaration in conjunction with the *Joint Motion of the Settlement Parties and the AHEG for the Entry of an Order Pursuant to Rule 9019 of the Federal Rules of Bankruptcy Procedure (A) Approving (I) the Settlement Agreement among the Plan Administrator, Voyager Digital Ltd., Voyager Digital Holdings, Inc., and Voyager Digital, LLC; and (II) the Substantial Contribution Claim of the AHEG Parties in the Settlement Agreement; (B) Approving the Voyager/Governmental Claimants Stipulation; and (C) Granting Related Relief* (the “Motion”), filed contemporaneously herewith.¹

2. Except as otherwise noted, I have personal knowledge of the matters set forth herein.

3. On the Petition Date (July 5, 2022), I was appointed to serve as Independent Director and member of the Special Committee of the Board of Directors of Voyager Digital, LLC (“OpCo”) along with Jill Frizzley. To assist in fulfilling its mandate, the Special Committee retained Quinn Emanuel Urquhart & Sullivan LLP (“Quinn Emanuel”) to provide independent advice to, and act at the exclusive direction of, the Special Committee. Since the Effective Date of the Chapter 11 Plan, I have served as the sole Independent Director of OpCo.

4. It is my understanding that there were numerous transfers among Voyager Digital, Ltd. (“TopCo”), Voyager Digital Holdings, Inc. (“HoldCo”), and OpCo (the “Intercompany Transfers”) prior to the Petition Date. As of the Petition Date, the Intercompany Transfers were

¹ Capitalized terms used but not otherwise defined herein have the meanings ascribed to them in the Motion.

booked as loans/debt, and were included in the Debtors’ schedules of assets and liabilities (the “Schedules”) as such. The Intercompany Transfers involving OpCo are as follows:

<u>Transfer</u>	<u>Transferor</u>	<u>Transferee</u>	<u>Principal Amount</u>	<u>Amount Outstanding as of the Petition Date</u>
<i>February 2021 “Loan Agreement”</i>	TopCo	OpCo	\$70,000,000	\$78,893,457
<i>February 2021 “Revolving Credit Agreement”</i>	TopCO	OpCo	\$17,500,00	\$1,477,523
<i>November 2021 Intercompany Transfer</i>	TopCo	OpCo	\$75,000,000	\$79,270,440
<i>May 2022 Intercompany Transfer</i>	TopCo	OpCo	\$57,000,000	\$57,817,288
<i>June 2022 Intercompany Transfer</i>	HoldCo	OpCo	\$75,000,000	\$75,528,875
<i>Intercompany Receivable</i>	HoldCo	OpCo	\$138,000	\$138,079
<i>Intercompany Receivable</i>	OpCo	HoldCo	\$26,300,000	\$26,300,000

5. Fiduciaries for each of TopCo, HoldCo, and OpCo, and their respective counsel, engaged in an investigation into the facts and circumstances of these Intercompany Transfers to determine whether any or all of the Intercompany Transfers should be characterized as loans or capital contributions (the “Intercompany Investigation”).

6. Specifically, TopCo’s independent director, Matthew Ray, retained Katten Muchin Rosenman, LLP (“Katten”) and HoldCo’s independent director, Scott Vogel, retained ArentFox Shiff, LLP (“ArentFox”), to conduct their own independent Intercompany Investigation alongside Quinn Emanuel, and to engage with the Special Committee and Quinn Emanuel to negotiate and settle, or litigate, the proper treatment of the Intercompany Transfers.

7. Pursuant to the Intercompany Investigation, Quinn Emanuel received and reviewed relevant documents produced by the Debtors. It is my understanding that Katten and ArentFox

received the same documents. Additionally, attorneys from Quinn Emanuel, Katten, and ArentFox conducted interviews of OpCo's former CFO, Evan Psaropoulos, as well as individuals from BRG, the Debtors' financial advisor.

8. Based upon the Intercompany Investigation, on February 2, 2023, Quinn Emanuel sent to Ms. Frizzley and me a comprehensive presentation discussing Quinn Emanuel's findings and analyses (the "Intercompany Presentation") relating to the Intercompany Transfers. On February 3, 2023, the Special Committee and Quinn Emanuel held a videoconference meeting to discuss the Intercompany Presentation in detail.

9. Among other things, we discussed the factual background for each of the Intercompany Transfers and the applicable law for determining whether to characterize the transfers as debt or equity. We then discussed the probabilities of each of the Intercompany Transfers being characterized as debt or equity. The Special Committee concluded to explore a potential settlement of the disputes with TopCo and HoldCo. To that end, Ms. Frizzley and I authorized Quinn Emanuel to engage in negotiations on OpCo's behalf with Katten and ArentFox.

10. The parties engaged in many rounds of negotiation, which continued post-Effective Date. I discussed each offer received with Quinn Emanuel, and proposed counter-offers. These negotiations were arm's-length and hard-fought, and have resulted in the proposed settlement that is the subject of the Motion. The primary terms of the proposed settlement, from the perspective of the OpCo estate, are as follows:²

- TopCo will have an allowed general unsecured claim in the aggregate amount of \$35,235,000 to be classified in Class 4A of the Plan as an OpCo General Unsecured Claim.

² The following is intended to be a summary of certain terms in the Settlement Agreement. To the extent any of the descriptions conflict in any way with the terms of the Settlement Agreement itself, the Settlement Agreement governs.

- HoldCo will not receive any recovery on account of the Intercompany Transfers, and neither OpCo nor TopCo will receive any recovery from HoldCo on account of any Intercompany Transfer.
- OpCo, TopCo, and HoldCo each waive any and all administrative priority expense claims under section 503(b) of the Bankruptcy Code they may have against each other.
- Settlement Parties will support the allowance of administrative priority claim(s) for AHEG Parties (as defined in the Settlement Agreement) against TopCo in an aggregate amount of not more than \$1.7 million on account of their substantial contributions made in the Chapter 11 Cases.
- Upon the Settlement Effective Date, my retention as Independent Director of OpCo, and the retention of each Independent Director by TopCo and HoldCo, shall be terminated, except that each Independent Director and its counsel shall remain in place (including with respect to compensation) solely with respect to application and allowance for Professional Fee Claims (as defined in the Plan) made by professionals acting at the direction of the respective Independent Directors in accordance with the terms of the Plan.
- Each Settlement Party expressly and generally releases, acquits, and discharges each other Settlement Party, among other parties, as more thoroughly described in the Settlement Agreement.

11. Ancillary to the proposed settlement is the AHEG Parties' agreement that they (i) will not object to the Bankruptcy Court's approval of the Voyager/Governmental Claimants Stipulation, pursuant to which governmental units that have asserted more than \$60 billion of claims against the Debtor Parties (including nearly \$40 million against OpCo) have agreed, among other things, to subordinate their general unsecured claims, if any, to customer claims, and then claims of other general unsecured creditors, and (ii) will not seek to set aside the Voyager/FTX Order, pursuant to which, among other things, the FTX Debtors agreed to withdraw their claims against the Debtor Parties on account of the \$75 million prepetition Alameda Loan Facility.

12. Having thoroughly reviewed and analyzed the foregoing proposal with Quinn Emanuel, I concluded that settlement on the foregoing terms is in the best interest of OpCo's estate, and I have approved a settlement on these terms (the "Settlement Agreement"). In reaching this

conclusion, I considered the likelihood that the Intercompany Transfers involving OpCo would be recharacterized as equity as well as my understanding that recharacterization claims are highly fact-specific and, as such, the costs of litigating these claims would be particularly high. Facing more than \$277 million of Intercompany Claims, crystalizing the allowed claim against OpCo at approximately \$35 million while avoiding costly litigation prevents dilution of OpCo creditor recoveries. I understand from BRG (the Debtors' financial advisor and now financial advisor to the Plan Administrator) that, absent settlement on terms along the lines of those in the Settlement Agreement: (i) if all Intercompany Transfers to OpCo were held to be debt (*i.e.*, OpCo loses), the resulting \$277 million allowed general unsecured claim at OpCo would reduce customer recoveries by more than 4 cents-per-dollar; and (ii) if all Intercompany Transfers to OpCo were held to be equity (*i.e.*, OpCo prevails), the resulting customer recoveries would be less than 1 cent-per-dollar higher than customers will receive under the Settlement Agreement. Moreover, absent settlement, litigation would further reduce OpCo customer recoveries as result of the significant costs of litigating these fact-specific claims to conclusion, regardless of outcome. The Settlement Agreement ensures that OpCo customers will receive at least a nearly 36 cent-per-dollar recovery.

13. Based on the work that Quinn Emanuel and I have undertaken, I have determined that the Settlement Agreement and the relief requested in the Motion are fair, reasonable, and in the best interests of OpCo's estate.

I declare under penalty of perjury that the foregoing is true and correct.

I have read the foregoing *Joint Motion of the Settlement Parties and the AHEG for the Entry of an Order Pursuant to Rule 9019 of the Federal Rules of Bankruptcy Procedure (A) Approving (I) the Settlement Agreement Among the Plan Administrator, Voyager Digital Ltd., Voyager Digital Holdings, Inc., and Voyager Digital, LLC; and (II) the Substantial Contribution Claim of the AHEG Parties in the Settlement Agreement; (B) Approving the Voyager/Governmental Claimants Stipulation; and (C) Granting Related Relief* (the “Motion”)² and know the contents thereof. I have personally performed many of the legal services rendered by Kilpatrick Townsend and am familiar with all other work performed on behalf of the AHEG by

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: Voyager Digital Holdings, Inc. (7687); Voyager Digital Ltd. (7224); and Voyager Digital, LLC (8013). The location of the Voyager Digital Holdings, Inc.’s, Voyager Digital Ltd.’s, and Voyager Digital, LLC’s principal place of business is 33 Irving Place, New York, NY 10003.

² Capitalized terms used but not otherwise defined in this Declaration shall have the meanings ascribed to them in the Motion.

the attorneys and paraprofessionals in Kilpatrick Townsend, as well as Aird & Berlis, Siskinds Law Firm, and Dundon Advisers LLC.

3. On or about September 19, 2022, the AHEG retained Kilpatrick Townsend, Aird & Berlis LLP, Siskinds LLP and Dundon Advisers, LLC in connection with the Chapter 11 Cases. On September 19, 2023, Kilpatrick Townsend filed a Verified Statement Pursuant to Bankruptcy Rule 2019 [Dkt. No. 436] with respect to its representation of the AHEG.

4. After the AHEG organized and formed, it reviewed the treatment of the Intercompany Transfers and Intercompany Receivables on the Debtors' Schedules of Assets and Liabilities filed in the Chapter 11 Cases as well as the First and Second Reports filed by the Information Officer in the Debtors' Canadian proceeding. Based upon those documents, the AHEG, through counsel, engaged the Debtors regarding the Intercompany Transfers and Intercompany Receivables. The AHEG engaged in informal discovery and discussions with the Debtors' professionals regarding the Intercompany Claims and the treatment of the same in the Debtors' disclosure statement and plan. On October 12, 2022, the AHEG filed an objection to the *Debtors' Motion for Entry of an Order Approving (I) the Adequacy of the Disclosure Statement, (II) Solicitation and Notice Procedures, (III) Forms of Ballots and Notices in Connection Therewith, and (IV) Certain Dates With Respect Thereto* [Dkt. No. 524] (the "DS Objection"). Through the DS Objection, the AHEG raised, among other issues, concerns that the Debtors' then-filed Disclosure Statement provided no mention of the potential value of the Intercompany Claims for TopCo's creditors and equity holders and the then-filed Plan provided for the potential cancellation of the valuable Intercompany Claims. As a result of the AHEG's objection, additional language was added to the Disclosure Statement regarding the Intercompany Claims and the Debtors' positions with respect to the validity of same.

5. Counsel for the AHEG regularly reviewed information filed in the Debtors' Canadian proceeding pending in the Ontario Superior Court of Justice under the Companies' Creditors Arrangement Act (the "CCAA Proceeding"), including reports filed by the Information Officer appointed in the CCAA Proceeding (the "Information Officer"). According to the *Second Report of the Information Officer* dated September 30, 2022, approximately \$229 million of the Intercompany Claims comprise intercompany receivables owing to TopCo from other Debtors and non-Debtor affiliates. *See* Second IO Report § 6.4 [Dkt. No. 252, Ex. 4]. Kilpatrick Townsend attorneys had telephonic and email communications with counsel for the Information Officer regarding the treatment of the Intercompany Claims, the information reviewed by and exchanged between the Information Officer and the Debtors, and the CCAA Proceeding generally.

6. After a few months of dialog with the Debtors and service of informal discovery requests as well as production of documents to the AHEG Parties, on November 11, 2022, the AHEG commenced an adversary proceeding against the Debtor Parties and Alameda Ventures Ltd. styled *The Ad Hoc Group of Equity Interest Holders of Voyager Digital Ltd. v. Voyager Digital Holdings, Inc. et al.*, Adv. Pro. No. 22-01170 (MEW) (Bankr. S.D.N.Y. 2022) (the "Adversary Proceeding"). In the Adversary Proceeding, the AHEG sought, among other things, declaratory judgments (i) that TopCo's Intercompany Claims are valid and enforceable unsecured claims not subject to recharacterization or subordination, and (ii) the Alameda Loan Facility Claims against TopCo were unenforceable. The Adversary Proceeding remains pending. The Debtor Parties and the AHEG agreed to extend the Debtor Parties' deadlines to answer or otherwise respond to the complaint while they negotiated. In connection with the Adversary Proceeding, the AHEG received nearly 11,000 documents from the Debtors and spent significant time reviewing and analyzing the same.

7. Subsequent to the commencement of the Adversary Proceeding, the Debtors' counsel advised the AHEG's counsel that the Debtors, due to potential intra-Debtor conflicts, were turning over the issues with regard to the Intercompany Claims to the Independent Directors and their respective counsel for investigation and potential resolution. The AHEG understands that the TopCo Independent Director retained his counsel, Katten Muchin Rosenman LLP ("Katten Muchin"), effective as of November 11, 2022, the same date that the Adversary Proceeding was commenced. *See* Dkt. No. 909. From January 2023 through the finalization of the Settlement Agreement, Kilpatrick Townsend had extensive meetings and exchanges of a legal and factual nature with counsel for the TopCo Independent Director as well as discussions with counsel for the OpCo Independent Directors.

8. On February 22, 2023, the AHEG filed its *Objection of the Ad Hoc Group of Equity Holders to Confirmation of the Third Amended Joint Plan of Voyager Digital Holdings, Inc. and its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [Dkt. No. 1050] objecting, in part, to the treatment of the Class 7 Intercompany Claims. As a result of the AHEG's objection, the Debtors revised the proposed Confirmation Order to make clear that (i) the Confirmation Order and Plan would not have any impact on the validity, extent, priority, or treatment of the Intercompany Obligations, (ii) any determination as to the validity, extent, priority, or treatment of the Intercompany Obligations would be brought before the Court in a separate matter, and (iii) the AHEG's rights to continue to participate in any adjudication of the Intercompany Obligations were preserved. *See* Confirmation Order ¶ 77.

9. On February 27, 2023, the AHEG filed its *Supplemental Objection of the Ad Hoc Group of Equity Holders to Confirmation of the Third Amended Joint Plan of Voyager Digital Holdings, Inc. and its Debtor Affiliates Pursuant to Chapter 11 of the Bankruptcy Code* [Dkt. No.

1097], objecting to, among other things, the Plan's improper restriction of the ability of parties in interest to object to claims.

10. At the Confirmation Hearing, counsel for the AHEG examined the Plan Administrator and raised concerns to the Court regarding the Plan Administrator's ability to remove the Independent Directors and appoint new directors and act on behalf of the Debtor entities where intra-Debtor conflicts between such entities existed. The Plan and Confirmation Order, among other things, provided for the appointment of the Plan Administrator as the sole representative of the Wind-Down Debtors' estates. The Plan Administrator has the authority to administer, pursue, prosecute, litigate, settle, dismiss, or otherwise take action with respect to the Wind-Down Debtors' claims and causes of action except with respect to Conflict Matters (as defined in the Plan Administrator Agreement). Resolving those matters requires the approval of the Independent Directors, which is why the Confirmation Order provided that the Independent Directors shall remain in place "at each Debtor to act as a fiduciary for such Debtor entity solely in connection with matters that may implicate actual or potential intra-Debtor conflicts of interests" including, among other things, Conflict Matters, the Intercompany Claims and the Voyager/Governmental Claimants Stipulation. Language in the Plan was negotiated between counsel for the AHEG, counsel for the Debtors, and counsel for the Committee as a result of the AHEG's objections raised at the Confirmation Hearing to ensure that independent directors would be appointed for each Debtor for matters that implicated potential intra-Debtor conflicts. *See* Plan § IV.H.5.c.

11. On March 14, 2023, the AHEG filed an objection to the Voyager/FTX Stipulation [Dkt. No. 1176] raising concerns regarding the potential contribution of the Alameda Loan Facility Claims and Alameda's distribution under the Plan for its equity interests in TopCo to OpCo for

assertion against TopCo. After the AHEG filed its objection to the Voyager/FTX Stipulation, the Debtors' counsel advised the AHEG that Alameda had agreed to waive, and not contribute to OpCo, the Alameda Loan Facility Claims. Such waiver resulted in the expungement of \$75 million in general unsecured claims assertable against TopCo and HoldCo.

12. Counsel for the AHEG reviewed and analyzed the Voyager/Governmental Claimants Stipulation and the validity of the Governmental Claims. As part of its analysis of the Governmental Claims and the Voyager/Governmental Claimants Stipulation, counsel for the AHEG engaged counsel for the New Jersey Bureau of Securities, the largest Signatory Governmental Claimant, regarding the Governmental Claims and the AHEG's position on the same.

13. Over the course of several months, Kilpatrick Townsend attorneys engaged in extensive discussions with counsel for the TopCo Independent Director regarding the Intercompany Claims and our respective analyses of the same, the Settlement Agreement, the Governmental Claims and our respective analyses of the same, and the Voyager/Governmental Claimants Stipulation. Kilpatrick Townsend and Katten Muchin attorneys had numerous phone calls and videoconferences and exchanged extensive email correspondence, particularly subsequent to confirmation of the Plan when the AHEG was first advised that the settlement terms set forth in the Settlement Agreement had been reached between the Independent Directors.

14. The actions undertaken by the AHEG throughout the Chapter 11 Cases were intended to increase recoveries for TopCo's stakeholders. The activities of the AHEG in this case generated action on the part of the Independent Directors, ultimately resulting in the Settlement Agreement and the increased distributions to TopCo's creditors.

15. True and correct copies of the computer-generated time entries reflecting the time recorded for these services with a summary of the hours spent, the names of each Kilpatrick Townsend professional and paraprofessional rendering services to the AHEG, the regular customary billing rates, and the total value of time incurred by each of the Kilpatrick Townsend attorneys and paraprofessionals rendering services to the AHEG are attached hereto as **Schedule 1.**

I declare under penalty of perjury that the foregoing is true and correct.

DECLARATION OF STEVEN L. GRAFF

I, Steven L. Graff, under penalty of perjury, declare as follows:

1. I am a partner at Aird & Berlis LLP, a full-service, corporate law firm based in Toronto, Ontario (“A&B”).² I graduated from the University of Western Ontario with a Bachelor of Laws in 1989 and was admitted to the Ontario Bar in 1991. I joined A&B in June of 1989 and have been practicing and involved in the financial services, litigation and dispute resolution, and corporate/commercial groups for 32 years. I became a partner at A&B in 1994, and Co-Practice Group Leader of the Financial Services Group in 2020, a role I currently maintain.

2. Throughout my career at A&B, I have worked on numerous restructuring and insolvency files, advising in a broad range of capacities, for debtors, creditors, court-appointed officers and other stakeholders, including many Canadian Schedule I banks. I have also represented landlords, municipalities, shareholders and trade suppliers in all types of insolvency

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: Voyager Digital Holdings, Inc. (7687); Voyager Digital Ltd. (7224); and Voyager Digital, LLC (8013). The location of the Voyager Digital Holdings, Inc.’s, Voyager Digital Ltd.’s, and Voyager Digital, LLC’s principal place of business is 33 Irving Place, New York, NY 10003.

² Capitalized terms used but not otherwise defined in this Declaration shall have the meanings ascribed to them in the *Joint Motion of the Settlement Parties and the AHEG for the Entry of an Order Pursuant to Rule 9019 of the Federal Rules of Bankruptcy Procedure (A) Approving (I) the Settlement Agreement Among the Plan Administrator, Voyager Digital Ltd., Voyager Digital Holdings, Inc., and Voyager Digital, LLC; and (II) the Substantial Contribution Claim of the AHEG Parties in the Settlement Agreement; (B) Approving the Voyager/Governmental Claimants Stipulation; and (C) Granting Related Relief.*

law proceedings, including bankruptcy proposals, reorganizations, enforcement of security, and in protection of rights outside of insolvency proceedings. I also advise on a range of financing transactions and have an active practice in both asset-based lending and traditional cash flow lending.

3. I have acted on many insolvency matters similar in nature to the representation that A&B has been engaged on in this case, including; (a) representing the Ontario Securities Commission and then Grant Thornton Limited, in its capacity as the Court-Appointed Receiver and Manager of the Crystal Wealth Group; (b) representing the Ontario Securities Commission and thereafter KSV Restructuring Inc., in its capacity as the Court-Appointed Receiver and Manager of Go-To Developments Holdings Inc.; (c) representing the Financial Services Regulatory Authority (“FSRA”) (or its predecessor) and thereafter Grant Thornton Limited, in its capacity as Court Appointed Receiver of the Tier One investment companies; (d) representing FSRA in connection with the Court ordered receivership proceedings of Building Development Mortgages Corp.; and (e) representing certain investors in the receivership proceedings of First Swiss Mortgage Corp. In each of these proceedings, large numbers of investors, in individual and corporate capacities, were at risk of losing or suffering losses on their investments.

4. I am a member of Turnaround Management Association, have previously acted as an Instructor with the Ontario Bar Admission, Insolvency Section, and have been a guest lecturer at the University of Toronto, teaching negotiations in insolvency proceedings. I also regularly deliver presentations to clients and industry members on a range of insolvency and restructuring topics.

5. In early July 2022, A&B was engaged as co-counsel by Siskinds LLP (“Siskinds”) to specifically provide insolvency-related advice associated with the advancement of the claim by

Francine De Sousa and certain other equity interest holders of Voyager Digital Ltd. (“TopCo”) generally. Francine De Sousa is the proposed class action plaintiff in a lawsuit filed in Canada on behalf of a class of holders of the common stock of TopCo (the “Putative Class”). This class consisted of persons and entities who purchased TopCo shares on the secondary market from October 28, 2021 to July 5, 2022. The action alleges misrepresentations made to the class relating to the crypto asset loans made by TopCo, which misrepresentations caused Ms. De Sousa and other class members to suffer financial losses. I led A&B’s services to Siskinds and, in turn, Ms. De Sousa and the Putative Class generally.

6. A&B worked hard to represent the interests and rights of Ms. De Sousa, and the Putative Class more broadly. At the outset of these proceedings, A&B participated in the Canadian court proceedings, brought under the *Companies’ Creditors Arrangement Act* RSC, 1985, c. C-36 (the “CCAA”) in which the Chapter 11 Cases were recognized. A&B worked with Siskinds and Ms. De Sousa to bring a motion seeking to have it declared that TopCo’s centre of main interests existed in Canada, in order to allow Ms. De Sousa and the Putative Class the opportunity to participate in the proceedings in a substantial and effectual way in Canada. The determination by the Canadian Court that these Chapter 11 Cases constituted a foreign main proceeding significantly impacted the ability of the Putative Class to participate meaningfully in the Canadian proceedings and seek recovery under domestic legislation.

7. After such determination, A&B continued to zealously represent the interests of Ms. De Sousa and the Putative Class and sought, through the Canadian court proceedings, amongst other things, (i) more information on TopCo including details on various insurance policies, intercorporate funding and the debt obligations as between TopCo and its subsidiaries, and (ii) the appointment of A&B and Siskinds as representative counsel for all securities claimants and current

shareholders of TopCo. The Canadian court dismissed the relief for a representative counsel order.

8. In addition to advocacy efforts in the Canadian proceedings, A&B professionals continued to regularly review court materials in the Chapter 11 Cases as such materials became publicly available, and actively followed and attended hearings in the Chapter 11 Cases virtually. On or about September 13, 2022, the Ad Hoc Group of Equity Interest Holders of TopCo (the “AHEG”), made up of Ms. De Sousa and certain other equity interest holders of TopCo, retained Kilpatrick Townsend & Stockton LLP, A&B, Siskinds, and Dundon Advisers, LLC in connection with the Chapter 11 Cases. Given the corporate organization and the Intercompany Transactions that existed between TopCo and Voyager Digital, LLC. (“OpCo”), as further detailed in the *Declaration of Matthew Dundon in Support of the Objection of the Ad Hoc Group of Equity Holders to Debtors' Motion for Entry of an Order Approving (I) the Adequacy of the Disclosure Statement, (II) Solicitation and Notice Procedures, (III) Forms of Ballots and Notices in Connection Therewith, and (IV) Certain Dates with Respect Thereto (Related Document(s))* [Dkt. No. 525], the AHEG, their counsel, and their advisors participated in numerous discussions and negotiations with the Debtors, the Official Committee of Unsecured Creditors, the Plan Administrator, and TopCo’s independent director’s counsel on the bases for allowable amounts and priorities of TopCo’s claim against OpCo. The parties spent many hours, before and after confirmation of the Plan, determining how the Intercompany Claims were to be addressed. These settlement discussions required an in-depth review of the Intercompany Transactions as well as a detailed understanding of claims held by various state-level securities regulators which threatened to impact the distribution amounts and priorities. A&B also conducted a significant amount of research on cross-border insolvency proceedings, intercompany restructuring claims in an international context, and U.S. security laws and regulations, and held numerous strategy meetings

and calls to discuss the fluctuating options as settlement negotiations progressed.

9. The invoices attached hereto, which have been redacted for privilege, provide a detailed breakdown of the work done on the matter (on an individualized basis), the amount of time spent on such tasks and the corresponding cost. The total amount of fees incurred is \$458,497.43 CAD, which is \$358,688.73 USD. As shown on such invoices, over 700 hours of time was spent by A&B professionals on the file.

I declare under penalty of perjury that the foregoing is true and correct.

O'Brien Declaration

**UNITED STATES BANKRUPTCY COURT
SOUTHERN DISTRICT OF NEW YORK**

In re:)	Chapter 11
VOYAGER DIGITAL HOLDINGS, INC., <i>et al.</i> ,)	Case No. 22-10943 (MEW)
Debtors. ¹)	(Jointly Administered)

DECLARATION OF ANTHONY O'BRIEN

I, Anthony O'Brien, under penalty of perjury, declare as follows:

1. I am a Partner at Siskinds LLP ("Siskinds") who, along with Kilpatrick Townsend & Stockton LLP ("Kilpatrick") and Aird & Berlis LLP ("A&B")², are counsel to the Ad Hoc Group of Equity Interest Holders (the "AHEG").

2. Siskinds is a Canadian full-service firm with offices in Toronto, Ontario; London, Ontario; and Québec City, Québec. I am a member of Siskinds' class actions department. Siskinds has both prosecuted and defended class proceedings, although the vast majority of our class action work has been for plaintiffs. Siskinds has been counsel to the plaintiffs in approximately 200 proceedings and has been successful in a significant number of those proceedings. Siskinds has consistently been at the forefront of securities class action practice in Canada, including by acting as co-counsel for the class in *Silver v Imax Corporation*, one of the first secondary market

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor's federal tax identification number, are: Voyager Digital Holdings, Inc. (7687); Voyager Digital Ltd. (7224); and Voyager Digital, LLC (8013). The location of the Voyager Digital Holdings, Inc.'s, Voyager Digital Ltd.'s, and Voyager Digital, LLC's principal place of business is 33 Irving Place, New York, NY 10003.

² Capitalized terms used but not otherwise defined in this Declaration shall have the meanings ascribed to them in the *Joint Motion of the Settlement Parties and the AHEG for the Entry of an Order Pursuant to Rule 9019 of the Federal Rules of Bankruptcy Procedure (A) Approving (I) the Settlement Agreement Among the Plan Administrator, Voyager Digital Ltd., Voyager Digital Holdings, Inc., and Voyager Digital, LLC; and (II) the Substantial Contribution Claim of the AHEG Parties in the Settlement Agreement; (B) Approving the Voyager/Governmental Claimants Stipulation; and (C) Granting Related Relief.*

securities class actions in Canada. In the firm's class actions practice, we also have substantial experience representing investors in insolvency proceedings, including representing an ad hoc committee of investors in *Sino-Forest Corporation* and individual investors in *CannTrust Holdings Inc.* Siskinds is a "Most Frequently Recommended" firm by Lexpert. Siskinds is also a "Band 1" ranked Canadian plaintiff class action firm by Chambers and Partners.

3. I have a Bachelor of Commerce and a Bachelor of Laws (Hons) from The University of Melbourne, Australia. I am admitted to practice law in the State of Victoria, Australia (2006), the Province of Ontario, Canada (2008) and the Province of British Columbia, Canada (2022). Prior to joining Siskinds in 2010, I practiced corporate and securities law at Stikeman Elliott LLP in Toronto. Since joining Siskinds, my practice has focused on representing retail and institutional investors in securities class actions and other shareholder rights litigation. I have been counsel in a number of domestic and cross-border securities class actions alleging misrepresentations in prospectuses, continuous disclosure and merger transaction documents, and other misconduct. I have been involved in numerous securities class actions that have resulted in settlements for the benefit of the class, including *SNC-Lavalin Group* (\$110 million), *Agnico-Eagle Mines* (\$17 million), *Smart Technologies* (US\$15.25 million), *Tahoe Resources* (US\$13.5 million), *Canadian Solar* (US\$13 million), *Baffinland Iron Mines Corporation* (\$6.5 million) and *Donnybrook Energy/Donnycreek Energy* (\$5.5 million).

4. Siskinds was initially retained by Francine De Sousa, an investor in Voyager Digital Ltd. ("TopCo") and later a member of the AHEG, to commence a securities class action on behalf of TopCo equity holders in Canada. That action was commenced on July 6, 2022, around the same time that the Voyager Chapter 11 proceedings ("Chapter 11 Cases") were started and a motion for an initial recognition order with respect to the Chapter 11 Cases was sought in the Ontario Superior

Court of Justice (“**Ontario Proceeding**”).

5. Siskinds, along with A&B, immediately intervened in the Ontario Proceeding on behalf of TopCo equity interest holders. As an initial matter, we resisted the recognition of the Chapter 11 Cases as a foreign main proceeding in Ontario. A contested motion was heard on July 14th, 2022, with the Court ultimately concluding that the Chapter 11 Cases was the foreign main proceeding.

6. Following that decision, we continued to advance the interests of equity holders in the Ontario Proceeding, including by seeking to have an equity committee established in Ontario and to obtain information on the intercompany funding arrangements between TopCo and its subsidiaries, including any receivables owing to TopCo from its subsidiaries and the details related thereto. We were unsuccessful in establishing an equity committee in the Ontario Proceeding but were able to obtain crucial information from the Information Officer appointed by the Ontario Court on the intercompany receivables owing to TopCo. This information later featured prominently in materials filed on behalf of the AHEG in the Chapter 11 Cases.

7. It became apparent to both Siskinds and A&B that intervention in the Chapter 11 Cases was necessary to protect the interests of TopCo equity holders. As a result, we, along with Ms. De Sousa, were involved in forming the AHEG to advance the interests of TopCo equity holders in the Chapter 11 Cases. As part of our efforts, we assisted the AHEG in retaining experienced U.S. insolvency counsel, Kilpatrick, and Dundon Advisers LLC, a financial and investment advisory firm.

8. We have continued to advance the interests of TopCo equity holders in the Ontario and Chapter 11 Cases since the formation of the AHEG including, amongst other things, by:

- a. continuing to represent the AHEG in the Ontario Proceeding;

- b. providing updates on the Ontario Proceeding and Chapter 11 Cases to the AHEG;
 - c. providing the AHEG with advice and recommendations and seeking their instructions;
 - d. communicating with other equity holders and providing them with updates on the status of the Ontario and Chapter 11 Cases;
 - e. analyzing and providing input on the materials filed in the Chapter 11 Cases on behalf of the AHEG;
 - f. conducting legal and factual research on issues germane to the intercompany receivables between TopCo and its subsidiaries; and
 - g. liaising with Kilpatrick, Dundon, and A&B and formulating our strategic approach to the TopCo intercompany receivables.
9. Given the corporate organization and the intercompany obligations that existed between TopCo and Voyager Digital, LLC. ("OpCo"), as further detailed in the *Declaration of Matthew Dundon in Support of the Objection of the Ad Hoc Group of Equity Holders to Debtors' Motion for Entry of an Order Approving (I) the Adequacy of the Disclosure Statement, (II) Solicitation and Notice Procedures, (III) Forms of Ballots and Notices in Connection Therewith, and (IV) Certain Dates with Respect Thereto (Related Document(s) [Dkt. No. 525]*, the AHEG, their counsel, and their advisors participated in numerous discussions and negotiations with the Debtors, the Official Committee of Unsecured Creditors, the Plan Administrator, and TopCo's independent director's counsel on the bases for allowable amounts and priorities of TopCo's claim against OpCo. The parties spent many hours, before and after confirmation of the Plan, determining how the Intercompany Claims were to be addressed. These settlement discussions required an in-depth review of the Intercompany Obligations as well as a detailed understanding

of claims held by various state-level securities regulators which threatened to impact the distribution amounts and priorities. A&B and Siskinds also conducted a significant amount of research on cross-border insolvency proceedings, intercompany restructuring claims in an international context, and U.S. security laws and regulations, and held numerous strategy meetings and calls to discuss the fluctuating options as settlement negotiations progressed.

10. The invoices attached hereto as **Schedule 1**, which have been redacted for privilege, provide a detailed breakdown of the work done on the matter (on an individualized basis), the amount of time spent on such tasks and the corresponding cost. As shown on such invoices, over 550 hours of time was spent by Siskinds professionals on the file.

I declare under penalty of perjury that the foregoing is true and correct.

DECLARATION OF MATTHEW DUNDON

I, Matthew Dundon, hereby declare that the following is true to the best of my knowledge, information and belief:

1. I submit this declaration (this “Declaration”)² in support of the motion filed herewith jointly by the Ad Hoc Group of Equity Interest Holders of Voyager Digital Ltd. (the “AHEG”) and the Plan Administrator seeking approval of a settlement, a component of which seeks approval of a substantial contribution claim for Dundon Advisers LLC (“Settlement”).³

2. I am a principal of Dundon Advisers LLC, a financial and investment advisory firm founded in February 2016 and presently based in White Plains, New York (“Dundon”). I graduated from the University of California at Berkeley and the University of Chicago Law School in December 1993 and June 1998, respectively. I was admitted to practice law in Massachusetts

¹ The Debtors in these chapter 11 cases, along with the last four digits of each Debtor’s federal tax identification number, are: Voyager Digital Holdings, Inc. (7687); Voyager Digital Ltd. (7224); and Voyager Digital, LLC (8013). The location of the Voyager Digital Holdings, Inc.’s, Voyager Digital Ltd.’s, and Voyager Digital, LLC’s principal place of business is 33 Irving Place, New York, NY 10003.

² Capitalized terms used but not otherwise defined in this Declaration shall have the meanings ascribed to them in the *Joint Motion of the Settlement Parties and the AHEG for the Entry of an Order Pursuant to Rule 9019 of the Federal Rules of Bankruptcy Procedure (A) Approving (I) the Settlement Agreement Among the Plan Administrator, Voyager Digital Ltd., Voyager Digital Holdings, Inc., and Voyager Digital, LLC; and (II) the Substantial Contribution Claim of the AHEG Parties in the Settlement Agreement; (B) Approving the Voyager/Governmental Claimants Stipulation; and (C) Granting Related Relief.*

³ Capitalized terms used but not otherwise defined in this Declaration shall have the meanings ascribed to them in the motion.

and New York in December 1998 and February 1999, respectively. Other than a brief interlude in the technology business, I practiced corporate and transactional law in New York City from August 1998 to August 2003. I commenced my career in finance in August 2003 when I became a distressed debt and equity analyst with the institutional securities brokerage firm then known as Miller Tabak Roberts Securities, LLC and now known as StoneX Credit (“MTR”). In June 2006, I was promoted to be the head of securities research for MTR. In the course of my work for MTR, I received the Series 7 and 23 registrations (general securities representative), Series 24 registration (general securities principal), and Series 86 and Series 87 registrations (securities analyst); each of these registrations is presently inactive. In May 2010, I joined Pine River Capital Management, LP as a portfolio manager with responsibility for high yield and distressed credit and opportunistic equity investments. In December 2014, having been part of Pine River’s growth in assets under management from under \$2 billion to over \$10 billion, I joined Advent Capital Management, LLC in a capacity similar to my Pine River role. I was involved in hundreds of complex Chapter 11 proceedings in these roles dating back to the 1990s, and analyzed many of those, and hundreds more, capital structures from the standpoint of investment of risk and reward, most certainly including intercompany complexities such as have been the general subject of my, and Dundon’s, work in these Chapter 11 Cases.

3. I founded Dundon in February 2016. Since its foundation, Dundon has grown to about 40 associated professionals, and has acted as financial adviser to (a) well over one hundred Chapter 11 official and *ad hoc* creditor and investor groups and committees, and (b) debtors, asset buyers and discreet creditors in more than one hundred Chapter 11 proceedings and out-of-court restructurings. I participate or participated to at least some extent in almost every one of those engagements, and was or am the hands-on engagement leader of many of those engagements.

4. Dundon's, and my, experience includes two sizeable Chapter 11 cases involving blockchain / cryptocurrency operators besides these Chapter 11 Cases: *In re Cred, Inc., et al.*, (Del. 20-12836-JTD) and *In re Celsius Network LLC* (SDNY 22-10964-MG). In the *Cred* cases, Dundon advised the Official Committee of Unsecured Creditor, and presently advises the Liquidating Trustees. In the *Celsius* cases, Dundon advises the holder of a claim in excess of \$20 million. I personally lead each of these engagements. I have been invited to make numerous panel presentations concerning cryptocurrency and blockchain to large audiences of distinguished professionals including the Turnaround Management Association's Distressed Investing Conference Mid-Atlantic Conference and Central Texas Chapter conference, the American Insolvency and Restructuring Association's annual conference,⁴ and the Southern Bankruptcy Law Institute's annual conference. I have also led numerous panels for private audiences of lawyers, and lawyers and their clients.

5. On July 29, 2022, Dundon commenced services as financial adviser to the AHEG. I understand the AHEG to consist of numerous holders of common stock of Voyager Digital Ltd. ("TopCo") and the lead plaintiff in a lawsuit filed in Canada on behalf of a class of TopCo common stockholders. I lead Dundon's services to the AHEG.

6. In my opinion, expressed, among other places, in the *Declaration of Matthew Dundon in Support of the Objection of the Ad Hoc Group of Equity Holders to Debtors' Motion for Entry of an Order Approving (I) the Adequacy of the Disclosure Statement, (II) Solicitation and Notice Procedures, (III) Forms of Ballots and Notices in Connection Therewith, and (IV) Certain Dates with Respect Thereto (Related Document(s))* (D.I. 525), at the petition date of these Chapter 11 Cases, at the May 19, 2023 effective date of the Debtors' Third Amended Joint Plan

⁴ The Court, in its individual capacity, being a co-panelist with me.

of Restructuring (the “Effective Date”) and all times in between, TopCo had large general unsecured claims against Voyager Digital, LLC. (“OpCo”) which were not fairly subject to disallowance or subordination, OpCo had small, if any, allowable claims upon TopCo, and, accordingly, the allocation of OpCo’s assets to TopCo in respect of those claims, were OpCo’s assets fairly allocated, would result in TopCo having far more assets than it had stated liabilities.

7. Relying in substantial part upon my opinion aforesaid, the AHEG asserted that TopCo should receive a significant share of the OpCo general unsecured claims distributions, and pressed such assertion upon the Debtors (including through their independent directors), the Official Committee of Unsecured Creditors (“Official Committee”) (though the Effective Date), and the Plan Administrator (after the Effective Date) through numerous formal and informal means.

8. Substantially as a result of the aforesaid arduous efforts of the AHEG, its co-counsel and Dundon, TopCo, OpCo and Voyager Digital Holdings, Inc. (“HoldCo”) now agree by the Settlement to allocate a considerable amount of OpCo recoveries to TopCo by way of a \$32.5 million allowed general unsecured claim of TopCo against OpCo, and further to entrench the value of that claim from dilution by waiver of any claims which OpCo or HoldCo could have made against TopCo. The Settlement proposes that the AHEG’s co-counsel and Dundon will receive an aggregate \$1.7 million administrative expense against TopCo for their fees and expenses in acting for the AHEG and achieving the result of the allowed unsecured claim for TopCo.

9. I observe that the Settlement was hard fought. The AHEG’s exertions were great – vast amounts of professional time and volunteer time by the AHEG members themselves. And yet the AHEG ultimately elected to accept the Settlement terms, which greatly reduced its original demand, owing to its counterparts’ great efforts. The Official Committee and its respective

professionals at McDermott Will & Emery and FTI Consulting were immediately and aggressively skeptical of the AHEG's assertions and ultimately set forth a variety of thoughtful objections and counter-assertions; when the Official Committee dissolved and the Plan Administrator took office, he continued the fight with McDermott as his counsel. TopCo's independent director and his counsel at Katten Muchin Rosenman engaged in numerous discussions with professionals to the AHEG and performed an in-depth and careful examination of the bases for allowable amounts and priorities of TopCo's claim on OpCo, which examination heavily informed the negotiating posture of all parties. The Debtors and their professionals at Kirkland & Ellis, Berkeley Research Group and Alvarez & Marsal made a great investment of time and energy into the controversy, particularly focused upon their original Schedules of Assets and Liabilities for TopCo and OpCo and what amendments thereto might be warranted, and the background to and appropriate weight of certain statements made by TopCo regarding its net intercompany receivables in its Companies' Creditors Arrangement Act proceedings in the Ontario Superior Court of Justice (Commercial List).

10. The AHEG's and its professionals' efforts led to increased distributions to TopCo as those efforts generated action by the Independent Directors that led to the Settlement. Because of the Settlement, TopCo stakeholders will receive considerable benefit from the distribution upon the allowed general unsecured claim granted to TopCo under the Settlement and the waiver of Intercompany Claims set forth in the Settlement.

11. The retention agreement between Dundon and the AHEG entitles Dundon to a total fee of approximately \$4.0 million as of the date hereof, consisting of (i) aggregate monthly fees of approximately \$2.1 million accrued at \$250,000 per month between August 29, 2022 and November 30, 2022 and \$150,000 per month from after December 1, 2022, and (ii) an exit fee, the

conditions for the payment of which have been satisfied, of approximately \$2.1 million assuming payment in full of the aforesaid monthly fees. Although Dundon's retention agreement provided for the aforementioned fees, Dundon's substantial contribution claim reflects only the fees incurred at the Dundon professionals' hourly rates, which total \$231,807.50. Dundon professionals, including me, Managing Director Eric Reubel, and Senior Associate / Associate Director Greg Hill, devoted significant efforts to Dundon's work for the AHEG for over a year. While the agreement between Dundon and the AHEG does not require Dundon to maintain hourly time for the engagements, Dundon devoted no less than several hundreds of hours of professional time to these Chapter 11 Cases, of which it elected to record 287 hours on its billing system.

12. I understand the co-counsel to the AHEG undertook services on an hourly basis for the AHEG and have accrued in excess of 2,500 professional hours.

13. The Plan Administrator projects that the unsecured claim allowed to TopCo as a result of the AHEG's and the Independent Directors' efforts will have a cash value between \$14 million to \$25 million that will inure to the benefit of TopCo stakeholders based upon the distribution scheme contained within the Plan. TopCo further benefits from the waiver of administrative expense claims OpCo and/or HoldCo could have asserted against TopCo, which could have been very substantial in amount. The actions undertaken by the AHEG throughout the Chapter 11 Cases were intended to increase recoveries for TopCo's stakeholders in accordance with the priority scheme. The Settlement Parties believe the proposed \$1.7 million fee is appropriate considering that the AHEG's efforts were a key reason for the value received by TopCo under the Settlement.

14. Accordingly, I consider it appropriate (a) for the Court to approve the Motion as a general matter and (b) for the Court in particular to approve that component of the Settlement

which provides for the professionals to the AHEG, including Dundon, to receive an aggregate of \$1.7 million in fees from the proceeds of the Settlement, by way of an allowed administrative claim against TopCo.

15. A spreadsheet reflecting the hours spent, the names of each Dundon professional rendering services to the AHEG, the regular customary billing rates, and the total value of time incurred by each of the Dundon professionals rendering services to the AHEG is attached hereto as **Schedule 1**.

I declare under penalty of perjury that the foregoing is true and correct.
